1	Pastor introduces him, and talks about Jack Chick Production. (TC) 2:18. Before I start to today I'd	1
2	like to leave (some) text with everyone. I try to leave it across the country. When I was saved I knew	2
3	absolutely nothing about the Bible accept some basic teachings that I'd picked up by accident when I	3
4	was about ten years old in a Nazarene Church. When the people that I was being raised by that were	4
5	in witchcraft found out that I had went to this church they as they say 'Blew their staff?' , and that	5
6	was that for going and hearing anything about the word of God. So everything I know about the	6
7	bible I've learned in the last five years and I've had some very good teachers, in San Antonio a man	7
8	named Jack Taylor a Southern Baptist Pastor, and when I told him like two days after I was saved the	8
9	things I had come out of he was afraid of them, so he gave me this scripture, that was kind of my	9
10	battle cry text whatever throughout the walk and ministry that I would have later. I've left it with	10
11	Christians, (across the country) because in a day and age when we see so much happening around	11
12	us we lose sight of whose behind what is happening around us. We lose sight of it. If it is good or	12
13	positive it is the Lord and if it's evil and rebellious it's of the devil. A lot of the time we look at our	13
14	teenage children and think that they are the devil and the children look at their parents and think	14
15	they are the devil and we lose sight of really who our enemy is in this warfare that we are in. I'd like	15
16	to leave this with you and I'm sure many of you know it and if you don't I recommend that you mark	16
17	it in your bible and learn it by heart Ephesians 6-12. 'For we wrestle not against flesh and blood but	17
18	against Principalities against Powers against Rulers of Darkness of this world against Spiritual	18
19	Wickedness in High Places. I didn't bring my amplified bible* with me today I was a little rushed	19
20	because I was late, but the amplified gives a much clearer description of it. So many times Political	20
21	corruption and things going on and these are a few things I'm going to discuss today but we lose	21
22	sight of who's behind that political corruption. We look at Nixon's era and we look at some of the	22
23	things Jimmy Carters doing today we know that they are not Christian deeds. We know they have	23
24	nothing to do with the Lord but we kind of scratch them off to the man. We should scratch them off	24
25	to the enemy then, (not) man. Man is not the enemy. I came out of a family thatHow many of you	25
26	were raised Baptists? I'll start that way. All your life that's what you were raised from the time when	26
27	you were little child (until) now? How many of you were raised in a Christian home? So in the	27
28	Pentecostal churches, which I try to avoid as much as possible, they have a term called 'Home Grown	28
29	Pentecostal'. I guess 'Home Grown Baptist' will be just a fashionable. Well I was a 'Home Grown	29
30	Witch' from the time that I was five years old. I knew nothing but witchcraft I was I would have	30
31	known sooner but they didn't discuss it with me? They take you very young even before even	31
32	before they start talking about the so called 'positive aspects of witchcraft' they talk about the	32
33	'negative aspects of Christianity'. So being a Christian is a miracle not because I wanted out of	33
34	witchcraft but I would consider Christianity the only way out, because they brain wash you from very	34
35	early childhood that the Christian is the most evil being or creature in the universe* that he wants	35
36	nothing more than to take the everyday witch out and shoot them burn them hang them whatever	36
37	he could do, and they're the most hateful beings that ever existed on the same level as maybe Adolf	37
38	Hitler. So this is what I was raised up to believe and my last name is Todd and that was just changed	38
39	about sixty years ago until then our name was 'Collins'. The Collins family (my direct tree) was	39
40	responsible for a few history books that I could find, also for bringing witchcraft to the United States.	40
41	So when I was fourteen, (and some of you may consider that I very early age, but it was not it was	41
42	kind of a late age for this,) I was initiated into organised witchcraft. In other words I was made what	42
43	brother Rath Euston is. I was made a Pastor a Minister. I was ordained in fact a few years later when	43
44	I went to enlist in the service I didn't have to go, because I was draft exempt because I was an	44
45	ordained minister of a legally recognised churchOrdained ministers are exempt. I enlisted and	45

46	went through the service until I got into a little shooting incident in Germany after I'd come back	46	Ц
47	from Vietnam I re- enlisted and went to Germany and I was getting ready to be court martialed. In	47	Ц
48	fact they had everything down. In fact I was as good as gone (life in prison) we had (at the end of the	48	Ц
49	day?) had pleaded guilty therefore 35 years and then Parole. They wouldn't even consider it. An	49	Ц
50	officer had been killed in the situation and I was more or less just waiting to be transferred to	50	Ш
51	Lebonworth to serve the time. When the witchcraft church (which I thought was just a little group of	51	Ц
52	people that I belonged too) sent a political member of that church, a State Senator, two of them. A	52	Щ
53	State Senator, a Unites States of America Senator or a representative over to Germany. They took	53	Ц
54	hold of the situation and a 24 of hours later I was a civilian in the United States, with all my time rank	54	Ц
55	and an honourable discharge and my court martial records didn't exist anymore. All of a sudden I	55	Ц
56	realised that I wasn't in something that just lit candles and incense and said magic words once in a	56	Ц
57	while and stuck pins in dolls. There was a little more to it than just a religion. I left New Jersey and	57	Ц
58	went home to Columbus (Ohio) and I asked my real mother. (I have two mothers. I have a foster	58	Ц
59	mother and a real mother what I was to do) and she said 'here's an envelope with 2000 dollars and a	59	Ц
60	one way ticket to New York city. You get there on the next plane and I'll tell them you're coming'.	60	Ц
61	But she didn't tell me who she was going to tell or anything but I flew to New York City and I spent	61	Ц
62	six months learning all new witchcraft. Until then I had been taught what most of the teenagers	62	Ц
63	learn and I want to tell you, I want to tell the teenagers something here real quick. I'm sure most of	63	Ц
64	you probably go to the school here but if you were in a regular school you would meet witches	64	Ц
65	running all over the place we hear this across the country. Almost every high school has it, especially	65	Ц
66	in California. They tell the young people lies. They tell them it's ESP. They tell them it's 'Physic Power	66	Ц
67	or they (tell them) it's 'Spirits of the Dead'. They tell them everything but what it (really is). I was	67	Ш
68	supposed to be a high priest leading a church that had thirteen ministers too it plus a couple of	68	Ц
69	hundred people in its congregation and I believed it then. Then all of a sudden for six months Dr	69	Ц
70	Bucklin unravelled everything and told me there was One God, (before we believed there was four).	70	Н
71	There was one and his name was lucifer and he was very quickly to tell me that wasn't satan. He	71	Н
72	didn't want me to get any ideas that Christians could be telling the truth. I should have thought then	72	Н
73	that if they had lied to me for almost eighteen years they were probably lying too me now. But I	73	Н
74	went ahead and believed it and for six months took lessons in witchcraft that I didn't even know	74	Н
75	(that) these things could happen, that had happened. Then I was transferred to Los Angeles, good	75	Н
76	old L.A. I can't seem to get away from it and for six months my foster mother taught me something	76	Н
77	that your pastors very familiar with. The political situation of the occult. All of a sudden I realised	77	Н
78	witchcraft wasn't just spell casting it had a purpose in mind, and that's when I started getting a little	78	Н
79	afraid because when I was ten I learned a little about the bible. It just happened to be all Revelations	79	Н
80	that I learned and all of a sudden it was discussing a world ruler that would be personally guided by	80	Н
81	lucifer that could gain control of the whole world supernaturally and take control of people minds.	81	Н
82	Of course they didn't say they were a defence against this. The way they spoke everybody was	82	Н
83	effected. They didn't say anything about the 'Blood of Jesus'. But we sat there and for six months,	83	Н
84	we learned the political structure, the history of witchcraft and then I was taken to Colorado and I	84	Н
85	was placed into an initiation into the 6 <sup>th</sup> realm. This initiation consisted of a blood sacrifice (human	85	Н
86	sacrifice) and from then on I was given a territory of thirteen states. This didn't happen to be one of	86	Н
87	those that might belong to my foster mother, but I was in charge of all the occult political and drug	87	Н
88	activity in (the) thirteen States. This is where I was in 1972 when I met the Lord. I at first for many	88	Н
89	years said by accident but I've come to realise there's no such thing as an accident when it comes to	89	Н
90	Jesus he had everything perfectly planned out. It was a combination of a personal witness, through	90	Ц

	92	things for instance the Baptist Church praying a fasting that I would get saved. They figured that if I		92
	93	got saved maybe the rest of the witches would follow in suit it didn't exactly happen that way, but it		93
	94	did put a dint in the situation. So (that's) quickly and very quickly (my) testimony but I (what) I want		94
	95	to do today is for the young people and the adults here I'd like to throw this thing open to questions		95
	96	and answers because some of you may have run across situations (or) some of you may have		96
	97	questions on how to deal with people that are in this (the occult). I want to leave one word with you.		97
	98	The only answer too witchcraft the only way that anyone has ever defeated it, in getting (out) has		98
	99	been through the blood of Christ. Everyone else who's ever tried to get out of witchcraft, (has died)		99
1	.00	and I want to leave this with you. Witchcraft is real and supernatural. I remember the minister who		100
1	.01	witnesses to me said that until he found his daughter in it, he was always (and he's a Baptist pastor)		101
Т	.02	was raised to believe that witches were fable and flew around on broomstick on Halloween night		102
$\neg$	.03	and all of a sudden he woke up and found out it was very real. If you want to find out the power		103
Т	.04	behind it and how it can be defeated I suggest the 16th chapter of Acts. Paul handles it very nicely	Г	104
Т	.05	and if there's one thing I can testify to all the teenagers considering the lies that your born with (in)		105
$\neg$	.06	witchcraft which is the lie that they'll give you. –tape quakes heres and the audio is lost,	Г	106
Т	.07	momentarily. When I was saved and the pastor there at the back of this church called the demons	Г	107
Т	.08	that were inside me out I lost all that power of witchcraft. I've never regretted it. If the power came		108
т	.09	from demons I don't need the demons. So before you teenagers start fooling around with these	T	109
$\neg$	10	Astrology Charts and the Ouija Board. Check out the 18 <sup>th</sup> chapter of Deuteronomy you'll find out	T	110
$\neg$	.11	you'll pick up a demon from doing it. If you pick up one (up) you keep on going. My foster mother	П	111
$\neg$	12	wrote a book and she said doing one spell or practicing one séance in witchcraft is like jumping off a	T	112
Т	.13	tall mountain or Sky Scraper there's no turning back*. It is the strongest addiction that I know. Dave	T	113
Т	.14	Wilkerson said he'd seen people go through withdrawal from drugs many times but seeing one witch	Т	114
	.15	go through withdrawal from the occult. (when he finally did see it), it shattered his mind. I've helped	П	115
Т	.16	thousands of people through withdrawal, from witchcraft and withdrawal from drugs and once	t	116
	.17	you've seen the withdrawal that a person goes through from being in witchcraft you'd think that		117
$\neg$	.18		$\overline{}$	118
$\neg$		drugs is something you practice in a kindergarten. It's that violent and that destructive without	П	
Т	.19	Christ especially, and what I started to say was nobody has ever succeeding in getting away from the	Т	119
$\neg$	.20	occult, because they'll simply will kill you with a spell. Now brother Rath Euston knows from	т	120
$\neg$	.21	testimonies from other people who I have been around, (that) they hadn't been able to do this to	П	121
$\neg$	.22	me or anybody else who has gotten out. A few people have been killed physically that have gotten	т	122
$\neg$	.23	out, that were Christians that got out of witchcraft. They have tried this (to) me and my wife and so	П	123
	.24	on but they've never succeeded. We are still very much alive but we have to depend totally on Jesus	т	124
$\neg$	.25	to stay in that situation. Now before any of you young people decide that witchcraft is a groovy thing	Т	125
- 1	.26	they will tell you can get out any time you want, but once you're in, there's a bounty on your head	т	126
$\neg$	.27	should you ever leave and they don't care if your thirteen or fourteen years old. The bounty starts at	П	127
$\neg$	.28	10 000 and they send a professional. They don't send an everyday person. If you are wondering why	┝	128
$\neg$	.29	I'm still alive and it isn't easy. I've got bullet holes the buildings and the bombed out buildings and	├	129
	.30	everything else. It's a record (that we are alive). Jesus kept us alive in every situation. You don't walk	├	130
$\neg$	.31	into a building that blows up in your face without a scratch on you, and walk back out, unless the	$\vdash$	131
Т	.32	Lord is there to protect you. The occult is very dangerous. Chick publications did the 'Broken Cross'	$\vdash$	132
$\neg$	.33	which will be on sale back here today. The only tract that I know of, that has saved people out of	$\vdash$	133
Т	.34	witchcraft. They did this book and because of it they moved to another building with bullet proof	$\vdash$	134
	.35	glass and bomb proof walls. That's the situation. The artist draws his stories at home now in a	$\vdash$	135

137	(his staff) are always (onto him) to be more careful because they are trying to drive him off the road	137
138	and stuff. We try to get him to drive a Cadillac that might stand up a little, (better) but he says the	138
139	Lord can protect him in his Toyota as well as a Cadillac. So he keeps on driving a Toyota, but that's	139
140	the situation. It is no joke it is a serious situation the occult gives up less people to conversion than	140
141	any other thing, and it's not because they don't want out. They desperately want out. We went to	141
142	Minneapolis to where we had a convention. We took 10 000 of the 'Broken Cross' there to distribute	142
143	free and they were so afraid of this book coming they cancelled the convention rather than let it fall	143
144	in the hands of the people who'd be coming from across Europe and across the United States to	144
145	attend. But people came into our meetings there, that came any way and when they listened (and	145
146	we) were done they asked my wife myself and others ministers 'if you can put us in a safe place of	146
147	protection we'll come out'. They want out. They know they know that Christianity is the only way	147
148	but they are physically afraid to come out. You think the Mafia has fear for those that have been	148
149	watching the Godfather or something. There's no fear compared to when the occult people come in	149
150	after you, but we are believing that we will have this situation. Brother Rath Euston will be one of	150
151	the few people in the United States who will know how to get converts to the refuge that we are	151
152	preparing. We are preparing a place, not that they can go permanently and hide but where they can	152
153	grow in the Word and in physical strength, till they can go out on their own and live. Jack Chick will	153
154	be putting on the back of all these publications (for) the occult, the phone numbers of the different	154
155	things and he'll be one of the phone numbers that people can reach. (Lets) say that we have a	155
156	convert that has been won out of the occult how do we get them to this refuge place? He will be one	156
157	of the few people in the United States that knows where this place is. It's in the mountains it will be	157
158	that well guarded so we'll just ask (for) your prayers, and (now) your questions if you've got some.	158
159	Q: Someone asked how they select children at in the occult, and at what. Well twelve year old girls	159
160	are (taken) then upwards, more or less). They've been known to get down to ten but they usually	160
161	start at twelve to thirteen and go to twenty five, and for the people who like to hitchhike this is how	161
162	they pick them all up. Of course the police will tell the parents. The kids run away from school. They	162
163	use them for sex and for scarifices and human sacrifice purposely (for those who are wondering if	163
164	that is an accident). You're in L.A right? The L.A County Sheriff's department has a very secret under	164
165	cover thing. I don't even know if you can find out it exists but I talked to them. It's called the 'Occult	165
166	Squad', they told me in (19)73 that they found thirty five bodies of girls in Los Angeles county that	166
167	year and I talked to them in December (about those) that they knew to be human sacrifice that they	167
168	listed as rape cases, keeping (them) from the public. The statistics that came in so far this year are	168
169	close to a hundred and twenty five and the year is not even over. Now that's girls that have been	169
170	used for human sacrifice. If you all notice there's quite a few rape cases that happened around	170
171	Halloween that were in the news right now and from what we can find out the circumstances of	171
172	each death fit human sacrifice. You'll never hear (about it) but that's the reason. We turned in four	172
173	different people that were responsible in the area that I knew about to the Los Angeles County	173
174	Sheriff Department and they arrested all four and they got convictions. In every conviction they	174
175	listed it as a rape killing and they knew better. Q: Someone asks about the 18 <sup>th</sup> Chapter of	175
176	Deuteronomy as conversing with Necromancy and Consulting with Familiar Spirits. Clairvoyance,	176
177	anything that is psychic is a counterfeit of Gods power by the devil. The women who was given	177
178	fortunes in the 16 <sup>th</sup> chapter of Acts that was a Clairvoyant. When Paul cast the demon out she	178
179	couldn't tell fortunes any more. That settles it right there. Q: Somebody asks about Superstition.	179
180	Superstition is a form of witchcraft She asked me if It's a Christian form of witchcraft. One thing I	180

181	want to throw at the young people real quick. In the occult store they don't sell Ouija Boards, in	181	П
182	most of them, in the serious ones. They call it a Christian instrument, they say Christians are the only	182	H
183	ones stupid enough to use it. Witches know that the devil runs it. They know more than some of the	183	П
184	Christians. Another question asked something about exorcism. The rite, that the Catholic Church	184	Н
185	uses for exorcism. They have changed a few words; just I think about six words. (It) is the witchcraft	185	
186	rite of exorcism. It is 8000 years old. The Catholic Church is not that old. Next on the apparitions. It's	186	
187	them, same thing that the Spiritualist Church of America or any of the Witchcraft organisation. It's	187	П
188	called Arus?? If you'll notice none of them are pure white now coming out of the occult. I know the	188	Н
189	system of colours and the principality, there's seven* of them and all the demons under them go by	189	
190	the colour of their leader, their general. The occult demon Rega appears as a blue snake or blue mix.	190	
191	I've heard thousands of reports including Jean Dixon* report that her guide, her spirit guide that (is)	191	П
192	Familiar Spirits are Blue in nature when they communicate with her, and of course red is lust* and so	192	Н
193	on its a long list but the things or apparitions( I want to get into this thing real quick) the Catholic	193	H
194	Church's' alter accept for the attomay?, or the knife is the exact alter of witchcraft and according to	193	H
194	the reports I can get on the Nicaean council most of the ministers at the Nicean council that set	194	
196	heresy up were from the temple of Dianna which is witcraft. So everything the bells, the incense the	196	П
197	whole ritual the holy water is salt water mixture this comes from witchcraft which they do exorcisms	197	Н
198	with everything that they do comes out of witchcraft and they can't get around it. Next question	198	П
199	about explaining the council of the thirteen. I'll explain what that is. You were probably wondering	199	
200	and what their purpose or thrust is. Just reach in your bill fold (wallet) and take out a one dollar bill	200	H
201	real quick, we'll settle the whole thing. I'll let you ask your federal government later how this got on	201	H
202	the dollar bill. On the back of the one dollar bill you'll see the crest with the pyramid in it. Now	202	H
203	Doctor Rath Euston has upstairs the whole crest, you only have the words left out of it on the blocks	202	H
204	but there are sections, this is a little behind times there are a few new organisations this dates back	203	П
205	to the 1800's but that pyramid in the illuminati consist of three Pyramids and a Sphinx but their	204	П
206	crest is this crest, the illuminati is the occult organisation that we belonged to, it means the 'light	206	
207	bearers'. The witches call it 'Mariah'. The conquering wind, but the capstone above the eye is lucifer.	207	
208	The triangle or the capstone is the tribunal of the Rothschild's family which is called the 'holy family'	208	
209	they lead the illuminati. They are, Paul, Peter, Mary (and) the saints all and everybody rolled into	209	H
210	one and the Pope. They are the voice. The doctrine of the occult teaches that lucifer comes and sits	210	H
211	at their dining room table. When they see the table they leave thirteen chairs out and the thirteeth	211	Н
212	one is for lucifer to sit in himself. They set him a plate and everything. Now I've been there in the	212	Н
213	mansion and I've seen this go on. They in turn direct to the top block of that pyramid and that top	213	
214	block is the council of thirteen. The Grand Druid Council. Which I was a member of. Now the druid	214	
215	system of government is not that the politicians run everything. It is the same system that Rome	215	П
216	had. The priest lets whoever wants to rule the government, but the priest must rule the ruler. Now	216	
217	I'll let that sink on you for a while, and I want to throw this in as this will cause a lot of controversy	217	
218	I'm sure. But it's a fact since, the time of Wormwold Wilson,* including him there has never been a	218	П
219	president of the United States that was not in the illuminatist, that did not belong (to it). Now that	219	
220	will shatter a few people's ideas about our Christian president right now, but it's a fact, anyway and	220	П
221	the Grand Druids although there supposed to be everyday people like me. You look at me now I'm	221	$\sqcap$
222	this weight. I was a different weight when I was in witchcraft and part of my authority was, whatever	222	П
223	Governors Senators or Political people (were) in my areas took direct political order from me. Which	223	$\sqcap$
224	I in turn did not think of but simply translated from them the orders we got from London, from the	224	
225	Rothschild's family. Now that's the council of thirteen. The thrust is that when I left in 1972 they had	225	П
