

1	...How many people were here in the second service I was here? Is the young lady we prayed for	1
2	after the service here? After the service we prayed for a young lady about some problems. Since	2
3	then there's been a few more things that's happened around here. I don't know if the other young	3
4	lady is here or not I didn't pay attention when I came in but as I'm ministering today I want to point	4
5	out a very real thing. The witchcraft today argues that the power that they have is Extra Sensory	5
6	Perception. Many Christians are now believed in witchcraft under the disguise of scientific terms	6
7	'ESP' Clairvoyance. Telekinesis and Para Psychology and so on because that's acceptable. The	7
8	scientist says it's so, so that's acceptable. The only problem is, (and I want to point out through the	8
9	word of God), that it was still going on in Jesus' time, and Paul rang across a person of this power.	9
10	(Were going to discuss this in a few minutes it's in the 16 th Chapter of Acts), and when Paul was done	10
11	with the person when he was done with her by casting demons out of her, she no longer had that	11
12	power. So I have a question for you today. If you are having Psychic experiences or your parents had	12
13	Psychic experiences. I really invite you to get a hold of the pastor or his staff after this meeting is	13
14	over or over the next couple of weeks. We've been very busy here and I'm leaving as soon as the	14
15	service is over for the east coast, but talk to him about it because when I was saved I still contained	15
16	all the Psychic Power that I had for two weeks. I kept wondering what was going on and my eyes still	16
17	had kind of a look. People who have been around witchcraft know the look I'm talking about, and my	17
18	eyes still contained this look. People in the church were wondering what was going on, although I	18
19	was trying to live a Christian life. It was very hard I was not really involved in sin but I still had all this	19
20	Psychic Phenomenon happening around me. I was still very bothered by the things I'd come out of	20
21	and addicted too them, not drugs but the physic powers. Finally the church decided if it was good	21
22	enough for Paul it was good enough for them, and they took me off in a room and they prayed for	22
23	me and they prayed with me for about five hours. They demanded the spirits that I had allowed in	23
24	myself through asking them to come in, in witchcraft to leave and I walked out of that room I no	24
25	longer had any psychic power whatsoever. So I don't care what this university or the Enquirer*, what	25
26	the Charismatic Movement or what anybody else says about ESP or anything or any physic powers.	26
27	(If you call the demons out the physic powers stop, (and witches have argued with me for five years	27
28	over this). They said 'Didn't you have your physic powers when you were born?' Yes because the	28
29	word of God says, 'The sins of the parents are visited upon the children' and my parents were	29
30	witches and their parents were witches and on down the line and the witches that were born into	30
31	witchcraft had that power, but now that they've gone 'Evangelical'. Now that they are going and	31
32	winning people over who have never been in witchcraft and their parents were not in witchcraft.	32
33	They had to teach them how to gain 'Physic Powers' because they didn't inherit the sins of their	33
34	parents. But I want to read some scriptures for you. I don't want you to go. If you will to Galatians	34
35	chapters five. After all Christians are very familiar with the fruit of the Spirit but we need to know	35
36	about the fruit of the flesh. Also verse nineteen. 'Now the works of the flesh are manifested which	36
37	are these. Adultery, Fornication, Uncleaness, Lavishness, Idolatry, Witchcraft. If you have a	37
38	Schofield or modern version its wrong in verse twenty. It says 'Sorcery'. The word in the Greek is for	38
39	'Witchcraft'. Sorcery and Witchcraft are different. Sorcery is the use of 'drugs' it is not 'Witchcraft'.	39
40	In fact the base word for it is the same word that Pharmacy comes from and it's the occult practice	40
41	use of drugs* to obtain supernatural powers. Witchcraft is different, Witchcraft is 'Demonic	41
42	Worship'. This is Witchcraft 'Idolatry', 'Witchcraft', 'Hatred', 'Variance', 'Emulations', 'Wraft', 'Strife',	42
43	'Seduction', 'Heresy', 'Envies', 'Murders'. It goes on. Witchcraft is a fruit of the flesh. The flesh ruled	43
44	by the devil. Go to me if you will to Deuteronomy eighteen. If you want to mark these in your Bible	44
45	mark them when you are witnessing to someone. Particularly I want to point out something today.	45

46	I'm not interested in hitting witchcraft as much as I am on practices, that for some reason the	46
47	Christian Church today, the Liberal Churches and I'm starting to say even some Independent	47
48	Baptists, will come up to me and say, 'This is alright it's in the word of God'. But it's not alright.	48
49	Where going to go over it. If you want a list of what the occult is, it's found in Deuteronomy	49
50	eighteen. Starting with verse ten, and these are abominations onto the Lord. These are things that	50
51	make the Lord so angry that in the Old Testament he ordered a death sentence of stoning outside	51
52	the city, if you if you were caught doing these things just once, not a dozen times, once. Now the	52
53	reason for this was the Jews did not have what we call 'deliverance'. They did not have the power to	53
54	call demons out in the name of Jesus. They didn't have it yet. The blood hadn't been paid so the	54
55	power was not there. To do this their answer was to take them outside the city and stone them to	55
56	death because they knew if you came in contact with a Fortune Teller and you let a Fortune Teller,	56
57	tell your fortunes, you obtained the same spirits from her, that she had. They also knew that if you	57
58	went to a medium and sat in a séance, you obtained the same spirit. If you went to an Astrologer	58
59	and had her do your chart, you received the same Spirit and I'll give you an example. My foster	59
60	mother when she wrote a book, she ordered that every chart that she did, every astrology chart (she	60
61	used to work for the L A times) and do the charts for them. She said over and over, (that) every	61
62	personal chart that she did, she would light candles and demand the Spirits from the Underworld to	62
63	enter those charts. So that when the person took the chart they would be under her control. When	63
64	she wrote her book she did the same thing to her book. That she demanded every demon to enter	64
65	every book that came off the press. So that the person reading the book would be addicted to the	65
66	world of the occult and all writers on the occult do the same thing. Now let's read what the	66
67	definitions of these things are. Since we are reading the King James I will stop and I will tell you there	67
68	are many repeats. Some of the words mean the same thing. How many of you have got Schofield	68
69	with you? You're going to be a little confused as we go along here; he changes them quite a bit.	69
70	'There shall not be found among you anyone who maketh his son or his daughter to pass through	70
71	the fire' (that's not walking on coals - the old form of human sacrifice in the Old Testament to Baal	71
72	was to take your child and to throw them into the flames to be burnt alive as a sacrifice to Baal	72
73	that's what its talking about, sacrifice and a lot of it goes on) or that uses divination. If you're going	73
74	to be embarrassed about it you don't have to do it but if you'd like to be honest it might help some	74
75	of the others who aren't going to be honest. How many of you have ever had your fortune told or	75
76	even with playing cards as a joke at a party or went to a fortune teller or anything like this how many	76
77	of you have had it done? That's divination. 'Para Psychology' calls it 'Clairvoyance' they like to	77
78	change it a little. That's divination that's fortune telling without the use of 'Familiar Spirits'. Familiar	78
79	Spirits are Spirit Guides that witches believe are the spirits of people who have died. We know from	79
80	the word of God they are demonic spirits they are the angels that fell with lucifer. This is without	80
81	them. This is using so called ESP. They are inside them talking. They are giving them the knowledge	81
82	and the cards have definitions to add to it. Most people think that when a person turns a card over,	82
83	that, that card has a definition. Most people will tell you. Use the 'Tarot Cards or 'Playing Cards'.	83
84	Which by the way were made to cast spells with and tell fortunes before Hoyle ever came around	84
85	and invented Poker. In fact there are some witches who won't use the 'Tarot Cards', because the	85
86	playing cards are older and more powerful, but they usually get 'Physic pictures besides the	86
87	definitions. There's much power to that, that's why God said 'No you don't need it you have my	87
88	Word'. You don't need this thing. The next one is an 'Observer of Time'. Anybody can shout it out	88
89	real quick what does it mean? Astrology. How many how of you right now believe Astrology is all	89
90	right for a Christian? Raise your hand? How many have followed Astrology? Now that means when	90

91	the L.A Times comes in you just can't wait to open it up and look at it. I do see the other sister	91
92	around. She was addicted to it. Alright is Astrology addictive? It's addictive; she was hooked on it just	92
93	the same as a heroin addict. She had to have a spirit cast out of her before she could stop reading.	93
94	She was that addicted. She went home and burnt it alright. That's when she got free. We destroyed	94
95	this. There are demons involved in this. People argue with me that astrology is alright because the	95
96	wise men were astrologers. No they were following a star that had appeared in heaven. They were	96
97	Astronomers not Astrologers. Astrologers say that the stars destined you once you are born and you	97
98	are going to stay that way no matter what happens in your life, you can never change. The word of	98
99	God says that, through the word of God you can change. That's why witches find it so hard to believe	99
100	in the Christian faith because they won't understand it. There's no miracle of change in their life.	100
101	That's why when they meet me. They can't understand it. I've got a picture in my billfold that we	101
102	found by accident going through some belongings of myself a year after a became a Grand Druid. I	102
103	want to show it to the pastor later. I didn't even recognise myself. That's the difference in myself	103
104	now and then. They don't understand the miracle of change. It changes you physically it changes you	104
105	spiritually but according to astrology that's impossible. You stop becoming a Scorpio and a Taros	105
106	when you become a Christian. I find it very beautiful when someone walks up to you and says what	106
107	sign are you? I say 'the sign of the blood of Jesus', that's all you have to say. You're not a set	107
108	personality. If that's so then the word of God is a lie because it says you're supposed to grow in the	108
109	word of God and have the fruit of the spirit and that's the only sign you'll shall have. That's Galatians	109
110	five, or an Enchanter that's a Hypnotist. How many of you have been hypnotised? I've heard	110
111	Christians going around... Now Christian ministers using hypnotists to minister to people? Don't	111
112	believe it. It was outlawed in the time of God, and if it's called hypnotism now it was called	112
113	enchantments then it's still the same thing. It's still demonic power and word of God says 'No'. A	113
114	witch I think that's self explanatory. That's a person who cast spells on other people and controls	114
115	them with their mind. Para Psychology calls it Telekinesis. Whether it's you doing something with	115
116	their mind or bending a fork for television it's still the same thing. A charmer, a charmer is a style of	116
117	a witch, it's a lesser degree. A consulter with familiar spirits, you'll find it all down here. A consulter	117
118	with familiar spirits is a 'medium' that is somebody who asks the spirits to guide them. How many of	118
119	you have used the Ouija board? That's a consulter of 'familiar spirits'. How many of you have made	119
120	the mistake of letting somebody, or you've done it yourself, swing the button over your hand to find	120
121	out to find out if you're going to have a boy or a girl? They laugh about it, but it goes on. It's so	121
122	strange those babies always have the worse problems after their born because they've done that,	122
123	consulting with familiar spirits that's what happened in the 16 th Chapter. Or a 'Wizard' that's a male	123
124	witch not warlock. Wizard or a 'Necromancer. That's somebody who uses familiar spirits to tell the	124
125	future, definitely like the Ouija board. Consulter of famillier Spirits that would be more like a	125
126	'Medium' the 'Necromancer would be someone whos like using the Ouija board. Obtaining	126
127	knowledge from a demonic spirit 'for all that do these things are an abomination unto the Lord and	127
128	because of these abominations the Lord thy God thus drive them out from before them'. That's why	128
129	he wiped out the land, the Jew were going in so that it wouldn't touch them because that's what	129
130	was going on, and all of the time the Jews dwelt in that land they were surrounding by people who	130
131	did this. Now the Christians are surrounded by it welcome to (the real world). Turn with me to the	131
132	sixteenth chapter of Acts. If you run across a witch (to) settle the whole thing, (if) you run across	132
133	someone who's in the occults whether they're in witchcraft or not and they want to argue with you	133
134	that it's perfectly alright. Its ignorance to disagree with it. Strike opens your bible, of course witches	134
135	don't believe in the bible. So you won't get very far with them, but for the Christians who want to	135

136	play games with you who want to say this is right and that is right and they were born with the	136
137	power and there a little spatial you know. This is the story you see. The same story that the devil	137
138	used in the garden for Adam and Eve is the story that he is using today. That makes the occult grow.	138
139	'I'm going to make you a god'. He can't even make himself a god, how's he going to make you a god?	139
140	Remember what was going to make him a god? Knowledge, and the knowledge of the occult is	140
141	spreading because people think that... witches and wizards today think that they are more special	141
142	than the person next to them, and that's why they become involved. Verse sixteen reading with me.	142
143	'And it came to pass as they went for prayer a certain damsel possessed with a Spirit of Divination.	143
144	(Divination, fortune telling). Possessed with a Spirit of fortune telling so for those who like it pretty	144
145	hard, it's ESP. You read them this... 'Met us, which brought her masters much gain by 'soothsaying'.	145
146	How many have heard of Jean Dixon? What does she call herself? A 'Soothsayer'. Where does she	146
147	say she gets this from? God? That's blaspheming from a Soothsayer. Looking into the future and	147
148	prophesying satans counterfeit of what the prophets of God did. satan has never originated anything	148
149	in his life you can better believe it. If it's in the occult the Christian Church is either doing it today or	149
150	they were doing it and God has passed onto a new thing, but God did it once the devils not created	150
151	it, it's only a counterfeit. Most interestingly I'm glad that Jesus left us one sign that the whole world	151
152	know we were his, because it's the one sign the devil cant imitate. He can't have anything inside him	152
153	to counterfeit it. It's called 'love'. That's why he has to have the death threat in the occult to keep it	153
154	going. 'Then the same followed Paul and us and cried saying 'these men are servants of the Most	154
155	High God which show unto us the way of salvation'. I've had hundreds of people come to me and tell	155
156	me the Ouija board was correct, fortune tellers are alright because they had just gotten saved and a	156
157	year before some medium or Ouija board or something told them that the Christian way was the	157
158	right way. Most of the time when I get talking to them I find out they were never born again anyway.	158
159	They just decided to switch over to being a Christian. The devil knows the blood Jesus is shed. He	159
160	knows it's the right way. I've had mediums get up and interrupt a meeting and preach about how	160
161	God was the most powerful God because the devils not afraid of losing the person. I've had them	161
162	come up and ask for deliverance and have the demons removed and the challenge because they did	162
163	not want them removed. They were not going to leave because the people didn't want them out and	163
164	the devil was not afraid of having the person stand up and say it, but Paul left this person alone for	164
165	several days. If you read it she did this many days but Paul being grieved turned and said to the spirit	165
166	'I command thee in the name of Jesus Christ'. Not Mary not Yahweh no other name, not Dianna,	166
167	Pernos? Jesus Christ and said by a person who knew him personally. A personal relationship in the	167
168	name of Jesus Christ, to come out of her and it came out. The same hour. In some translations the	168
169	same moment and when her master saw the hope of their gains gone they caught Paul himself and	169
170	drew them into the market place to the rulers. When it happened when the demon was gone they	170
171	gains were gone because she couldn't tell fortunes anymore. She didn't have this special power.	171
172	That the other people went, and paid her to tell about, because it was gone. It was of the devil and it	172
173	was gone. So when people come up to you and say that this person said it on the Phil Donohue?	173
174	Show. Mike Douglas had somebody else on it on and so on and so on. They were just a big	174
175	controversy in the L.A county area about legalising fortune telling without a licence in witchcraft and	175
176	everything. The reason being was the great crest? A so called great psychic had told the L.A police	176
177	department that if they would do this, he would come and tell them who the Strangler* was. Sure	177
178	the devil will speak on the devil he doesn't care. So this was the deal and they even sent a witch out	178
179	from the head coven and sat there and cast a spell over the city council or county council or	179
180	whatever it was as they were voting on this thing. She was waving her wand around and her incense	180

181	in the air and at the same time they were Christians praying outside the building and I don't know	181
182	where the witches minds were when it was over they told the newsmen (when they asked) 'why	182
183	didn't your spells work? They said. 'Or well some dumb Christians were outside praying against us.'	183
184	Well that's saying the Christians are stronger. We know that. I'm surprised they didn't have a revival	184
185	in witchcraft right then and there. I mean three Christians was outside praying. They had eight	185
186	covens all through the area all casting spells on the city council, and all the Christians were doing	186
187	were pleading the blood of Jesus Christ over the councilmen whether they were Christians or not.	187
188	It's about time we stand up and start taking authority over the principalities and powers. Read	188
189	Ephesians 6-12. That's what runs the area and we need to take authority over it, and stand up. When	189
190	I was here before I talked on the illuminati. I talked on the physical kingdom of the devil but there is	190
191	a spiritual kingdom too and without the spiritual kingdom that that physical kingdom wouldn't	191
192	function. I'm going to take a few quick moments here and when we come back there will be	192
193	questions and answers, in the second session ask anything you want, it be on the illuminati whatever	193
194	but if I haven't got the answer I won't be able to answer you but I'll try. There's a book that we have	194
195	worked on down at Chick Publications two days last week. It's been almost six hours (a day) of	195
196	working the story out and researching in the word and bringing out documents and its going to be	196
197	called the 'Angel of Light' and it will be out in about six months. I'm not going to pull any strings. Last	197
198	time we had a little debate about Mormonism in here, when I was in here the last time. Jack had the	198
199	top expert on the Mormon Church come in there. It's going to hit the Mormon Church, they're going	199
200	to hit anything that has to do with the devil, his earthly and spiritual kingdom. In this book now I	200
201	want to bring it out because I'm asking you to pray about it, pray for it there having a lot of problems	201
202	with it. They feel if they do this book they may never be able to do another book because it doesn't	202
203	pull any strings. The pastor knows a few things that are coming out in it. The other thing I want to	203
204	bring out real quick is that we have been given. The land for the retreat which I mentioned when I	204
205	was here last time. There were some buildings standing on this under construction. Somehow within	205
206	a two week period of time they found out about the construction of this area and they went and	206
207	pulled the buildings down to the ground. That's how a sacramental witch came up to me and said to	207
208	me 'We know you've got the land, don't try to build it'. We need your prays for this thing we need	208
209	this thing building. It needs to be built in March by the time (when) I return from the east coast,	209
210	because going out there we know they're going to be people saved and there's no place to send	210
211	them if there in danger no place at all. They'll be safe so we need your prays. If you have building	211
212	supplies if you have finance, if you have anything see the pastor or see Tom Collins and get this	212
213	material too them as brother Tom is going to go ahead and build it while were gone. It's there,(the	213
214	land), we need concrete blocking 2-4'2. We need construction people. We need everything. So if you	214
215	don't know brother Tom the pastor here will put you in touch with him. Let's take questions and	215
216	answers. Somebody asks about the retreats location. I'm sorry, they know but there's no use	216
217	broadcasting it, it's in California and it's about fifty five miles from here. It's in the mountains. Q:	217
218	Something about how the illuminati receive mail. We received them in courier pouches usually	218
219	carried by the US State department. The only time we received an orders like that didn't come from	219
220	the tribunal, they came in (on) the Sabbath? Where lucifer would appear but usually he	220
221	appears...remember so many people got the devil spread out all over the place he is one being he is	221
222	not God he can only he can only be...if is lucifer standing here this very moment he's nowhere else in	222
223	the whole universe so usually he's at the Rothschild's house to give them orders or he appears at	223
224	what is called 'The Golden Dawn Coven' one thing I've got to add too you, it comes up too much and	224
225	where bringing it out in the new book. How many of you read C.S LEWIS? How many of you read J.R	225

226	TOLKIEN?..burn them, I'm going to repeat this burn them. Burn them. Lewis was supposed to be one	226
227	to the Lord by Tolkien, Tolkien was supposed to be a Christian. Now witches call all those books their	227
228	bible. They have to read them before they can be initiated and it is well known in England and	228
229	published in witchcraft books that they both belong to the Rothschild's private coven. Tolkien's son	229
230	is up for in three months to become the leader of the illuminati. They are not Christian books. We	230
231	have (books)* that are outside of the 'Screw Tape Letters'* that are on the gods. Where Tolkien talks	231
232	about the gods Dianna and kenos? And others of beings, real gods ...(Not Tolkien Lewis), who is	232
233	supposed to be a Christian and those books are sold in Christian book stores. Burn them. There	233
234	witchcraft books. Q: asked about TV. The illuminati would never gain control of the world (without	234
235	TV) these symbols on the TV set that are hypnotic symbols. You can talk to anybody that's a	235
236	hypnotist and they can tell you why you think you can sit there and have someone scream in your	236
237	ear half the time and you don't have know there screaming at you. There are things that are burnt	237
238	into your mind through the TV set that are subtle there are symbols and the words and actions. We	238
239	talked with people that know of these things that go on and they have confirmed this besides two of	239
240	the major networks in this country are completely illuminati owned 'lock stock and barrel'. ABC* and	240
241	CBF AND NBC I'd say 90 percent (are) illuminati and most of the Christian television I don't watch	241
242	because they receive large donations from them to tone the programmes down. So Jack chick asked	242
243	me what I thought about him going on a regular series. I said 'He'd never get there'. Try getting a	243
244	serious bible believing program on TV that preaches hard core gospel. It will never happen. You think	244
245	Jerry Farewell? Is hard core gospel. I've a little piece of news for you 'No way'. The girl that took my	245
246	place as Grand Druid, Lavina is a member of his church and her parents are on his staff. No way. Q:	246
247	asked about court. I never went to court it never court it's that simple it never got to court. It just	247
248	disappeared I never got arrested. Brenner enterprises* that were a covering network for us got one	248
249	ticket one time on his (Philip Rothchild?) Cadillac outside his night club and the police officer was	249
250	looking for work the next day because he should have known it was his car. Q: Asked about the	250
251	occult teaching on UFO's. The occult teaches that UFO'S are angels of light to deceive the world into	251
252	believing that we will later be invaded from outer space so that you can have a one world army	252
253	looking that way. Considering that (is what) they feel one of these days they are going to be invaded	253
254	from outer space and they really believe they can defeat that invasion coming from outer space.	254
255	Now how many know what invasion I'm talking about? They do too and they really feel they can	255
256	defeat it. That's the purpose. If you'll notice all of the so called landing sowarepalces? Are in prime	256
257	pyramid or occult areas such as the Bermuda triangle* over the Pyramids over the gap in the North	257
258	Pole, places like this these are sacred pit opening to the occult. Q: asked about the warlock...the	258
259	warlock is Scotch Gaelic meaning 'backslider' or 'traitor', the Catholic Church applied it to the first	259
260	protestant. It never was applied to witchcraft. Satanist use it for shock value in this country	260
261	televisions added to it. You see witch is from the word 'Wicca' which is the name of their religion	261
262	which means wise and witch is the female version and wizard is the male version. Wizard, means	262
263	wise one or teacher or witch is wise one or leader that's why the women are the leaders at the	263
264	minute. That's the term warlock is... In fact if you go to England you won't even here it and that's	264
265	where the stronger witchcraft is. It's just more or less used in this country and the Satanist use it for	265
266	shock value because if you go up and say I'm a wizard nobody knows what your taking about	266
267	because of 'bewitched', if you say I'm a warlock everyone knows well he's something great you	267
268	know, so that's why they've used it and the occults spread it but warlock isn't a witch term it's	268
269	actually a term applied to the first protestant in Scotland and Ireland. Q: Someone asked an occult	269
270	question. She asked if I know anything about the angel that's supposed to given the princess in	270

271	Ireland the florey stone this is catholic and witchcraft teachings together I'm sure it was a demon.	271
272	The princess was suppose to be the daughter of Bridget which was the mother goddess in Ireland	272
273	which the Catholics made a saint the Catholics everywhere they went always turned the old gods	273
274	into saints. So they keep the pagans following them. Some more quotations asked about which	274
275	Jonnie says he knows nothing about .. Then the tape interrupts and Jonnie is taking about how the	275
276	occult world operates for real. If you can believe this we have two different worlds out there	276
277	because we have had violent contacts and none violent contacts. When you see the teaching from	277
278	the Necronomicon, on which by the way I've read scriptures from the Mormon bible that are	278
279	directly out of the Necronomicon...The Necronomicon teaches the start, is starts, the first scripture	279
280	out of it is out of Genesis and that's the witches bible (is) the Necromonicon. It says the sons of god	280
281	came down to eart and knew the daughters of Adam and there were giants in the world. They teach	281
282	that we were, when the human race first started. That great wise ones from another world came	282
283	here and started a race and intermated and that's where the witches came from or the Mormons of	283
284	course teach that Adam came down with a wife and stated everything. (But) where did he come	284
285	from? So it all still basing on this thing. Now they believing there are coming back and checking up	285
286	on us and soon well have a government of world peace because they'll help to do it all..The tape	286
287	now interrupts and the pastor begins advertising some books for sale at the back of the auditorium.	287
288	The first being the 'Broken Cross for 39 cents, (this section of the Tape must be from an entirely	288
289	different tape since Jonnie mentions earlier that the 'Broken Cross' wasn't finished yet.)This is a	289
290	story about a man from Spring Colorado about witchcraft. From that town a true story. Information	290
291	supplied by Jonnie Todd you want to read it and secondly there's another one just like this called	291
292	'The Gift' a very excellent booklet you ought to have both of them. We really have some books on	292
293	Masonry. Last time Jonnie Todd was here he mentions the fact that the oath that was taken by the	293
294	first degree called the interprentice mason? Is exactly the same (apart from one phrase) where by	294
295	the oath taken by a person being initiated into witchcraft. That oath along with the altar and the 2 nd	295
296	and 3 rd degree Mason were also in this particular book along with the ritual, and the initiation of the	296
297	first degree mason are the same..? Alright this book by Morgan who was killed by ..For writing this	297
298	book...The press...he was kidnapped by masons and drowned in the east. Another book this is a	298
299	classic. This book and is only a dollar fifty. This book is perhaps a classic it was taken to the supreme	299
300	courts by the Masons and they tried to prevent this book from being published its entitled 'Free	300
301	Masonry' and interpretation by M.R Wiker. This book is only four dollars it's been reproduced by	301
302	Doctor Cranes Cadesant Press ...and this book you ought to have. There are just a few of these on	302
303	sale at the back. Another excellent book by one of Americas great evangelist of 150 years Charles. E.	303
304	Finney is a entitled 'Free Masonry'. He was called a 'Bright Mason? He was a Masonic attorney. He	304
305	was saved by the Grace of God by Christ out of masonary and wrote this book exposing it. Its only	305
306	two dollars 'Freemasonry' by Charles. E. Finney. Another book by a man who was first a Roman	306
307	Catholic (he'd) been a bright mason? Been a ronaning? Entitled 'may har bow' any masons here in	307
308	the 3 rd degree will recognise that word May har bul? It's a secret word that cannot be given above a	308
309	whisper and then in the five points of fellowship. This is a very amazing book by a man who was a	309
310	bright and very informed mason who later was saved by Christ out of masonary. Then he wrote this	310
311	book it exposes both masonry and Romanism 'may har bul'. Another book that gives a political over	311
312	view of the involvement in the secret society and world conspiracy building toward a world empire	312
313	or dictatorship and the Christian and the other religions is only one dollar very interesting booklet	313
314	and there are a few books back there such as the lady cupolas? By scounsoner? two dollars each	314
315	worth having a look. A book entitled textbooks on trial by Norman Gabriel? Who spoke here back in	315

316	the early fall. He revealed what was taking place in the text books in the schools and on T.V. Schools	316
317	were mentioned. People wondering why is the world moving towards world dictatorship why are	317
318	freedoms been taken away and what's happening to our young people. 'Text Books on Trial'. It will	318
319	tell you a lot about that in that book. It is a hardback. The book is five dollars...Tape interrupts and	319
320	Jonnie is back talking about question discipline .i.e. not for people to ask all at once and advising	320
321	people to get pencils and paper. How many of you have read this? As I repeat nothing produced by	321
322	Chick Publications is a book, it's a track it is meant for souls. I'm trying to set up something where	322
323	every student is just (at) school. How many are junior high at high school or in school? I want to see	323
324	if you know what's going on. I talked with the principle I talked with the pastor. I know what's going	324
325	on in your schools. I want to find out if there is a teenager honest enough to stand up and say they	325
326	know it. How many know about the Spiritualism Group the Ouija board group that is going on after	326
327	school hours? How many teenagers have been invited over to this thing or gotton word on it around	327
328	the schools that know it's going on? Have any of you been approached in the school about this? Well	328
329	alright if you are please go to the principle. Please go to the pastor because there are teenagers who	329
330	are fooling with this in the school and are trying to spread this and were going, or the pastor or the	330
331	principle are going to take care of it. I l've told them who l've spotted that's going around with it. So	331
332	I want to bring this up real quick before we go on. The next thing is on this book in three months.	332
333	this book has already been re-written once. I'm sorry we don't have the new ones we've corrected a	333
334	lot of it. Where it reads just witchcraft now and the Satanism part is not in it which makes it a better	334
335	track for our purposes, but on the back. This whole back sheet? Will be redone in three months. I	335
336	only have three months, about the end of April I guess or maybe four months. The whole back sheet	336
337	will be redone. The salvation message here will be put up at the top ...will be a list of phone numbers	337
338	and half way houses and churches throughout the United States that people who have death	338
339	sentences on their head that want out of the illuminati and out of the occult can contact. That's why	339
340	I'm going east. For five years we have prayed and we have sought to get in the State of New England	340
341	and Florida and so on where Grand Druid live. Where the leaders live and we've always been barred	341
342	mainly by interference from the Charismatic Church Well now god has opened the door through the	342
343	Independent Baptists. That nobody can close. We didn't try to go through the Charismatic Churches.	343
344	But the Charismatic Churches they were opposed to it in such a way that the other churches were	344
345	afraid to do anything. Now this doors open and where going to be setting houses up while. We are	345
346	there. (Pointing to a track). It's the Sothern California contact point right here we need councillors	346
347	who are willing and we prefer husband and wife, who are willing. Where they have an extra	347
348	bedroom or can make room in their house that can take a girl in one at time, if this church is reached	348
349	by phone for help and can watch over these people from two to three days this is 24 hours...TAPE	349
350	END	350
