

JOHN TODD: TAPE 2B-PageONE

1	...We need certain guns but the guns we need are pump shot guns, 12 gauge pump shot guns or	1
2	automatic shot guns nothing else...if you feel like you'd like to give us something and it's not on the	2
3	list , save it. We've got to have these precise ones because this is what they used against us and as a	3
4	weapons' expert from the army I know what will be best. The next thing we need are 3.57 magnum	4
5	revolvers. That's the main weapon not 38, 38 will bounce off a window it has been known too. 3.57	5
6	45 automatic are the best. Thats what I personally carry. The next thing we need and if you don't	6
7	have them Tom Collins knows where you can get them for half price and we need them are Colt AR	7
8	15's that's the civilian name for the M16 rifle. Thats what they hit us with most of the time, or the	8
9	mini 14 is alright. It's not great we need these weapons' very badly and if you've have never been in	9
10	a fire fight... I have stood on a farm in Ohio that was a retreat and for four solid hours...we never did	10
11	find out why the police didn't come out...they were over 6000 rounds fired from both sides trying to	11
12	kill people. That was one fire fight this is no game and this is no joke. I spent Monday in the hospital	12
13	because I wasn't careful at a job that I was having and somehow, somebody... I got the blood test to	13
14	prove it... slipped poison in the pop that I was drinking and I was in critical condition and I've still got	14
15	the scar from the IV. I went into convulsions and seizures and a lot of people prayed, and Monday	15
16	morning I walked out of that hospital. I looked sick for a few days but I walked out of that hospital	16
17	(that was) because I got careless it was a new way they had thought (to kill me) and I wasn't ready	17
18	for it. From now on we are going to watch all ways. So please this is an unusual request but if you	18
19	have them we need them and the other thing we need. We need material so that clothes can be	19
20	made. We need concrete blocks we need cement. We need 100's of 2-4's we need barred wire	20
21	fencing. We need fence posts we need electrical wire. You can imagine anything in construction. We	21
22	need lots of sheet rock. Anything that you feel, (you can give) if you're in a construction field (if you	22
23	have, nails, you can imagine how many nails we need. We need this stuff. We need farm tools like	23
24	shovels picks and so on. We need everything under the sun. It is a retreat that is a ranch. We need	24
25	farm animals if you've got a horse and the Lord my lead you to donate a horse than we need	25
26	anything else and that's pretty well it. You can just pray about it and see how the Lord will lead you.	26
27	(If) you feel like donating money bring it to the pastor the land is there all we got to do is get this	27
28	thing built and I know people round here like Shaun and others will be glad at the weekend (just) to	28
29	hang sheet rock along with the rest of us. I won't be here. I'm sorry to say so I'm trusting in others.	29
30	Pastor now interrupts for some itinerary and then the tape switches back to Jonnie. We have tried	30
31	retreats several times. They've always failed because we allowed the supporting churches to have a	31
32	voice in the retreat itself. Now I love this church and I'm a member of it and I've been going to (this)	32
33	church in the five years I've been saved and that's what I think of this church and that's what I think	33
34	of this pastor but the retreat, the workers, if you think you would like to be a worker at the retreat	34
35	just remember its going to be on the hit the whole time your there. Tom Collins, I told him and his	35
36	wife (when) they were out looking at the land with us (and his co workers already know who gave us	36
37	the land Tom gave us the Land) and I told him and his wife I said 'You know when you come out here	37
38	this is your land the moment you come through the gate you put it on your hip', and so pray for us	38
39	pray while we eat, work. We are claiming souls upon souls. I'm going to be talking with the people	39
40	who trained me in witchcraft. I'm going to be going into the top people who sat on the council of 13	40
41	people that sat on the council. I will be in the State where eight of them live and I expect them to	41
42	attend the meeting...Pray for us were going to believe miracles are going to be done. (It's) probably	42
43	the closest I'm going to get to Jimmy Carter... You know for those that haven't heard Jimmy the	43
44	great evangelistic sinners sister won Larry flint to the Lord, but she told Larry that if you keep of	44
45	publishing Husler...(God will be displeased)He just had to add nude men picture along with the	45
46	women to balance it out. That was the Christian principle (he thought). I wonder what Lord she	46
47	serves? 5.40min (Question: 'What about Charles Manson was he demon possessed?')	47
48	Alright. Manson belonged to...I had belonged to many brotherhoods. Manson, the brotherhood that	48
49	he belonged to is called the Process. The only brotherhood I worry about. They are so radical that in	49
50	order to kill me they would gladly give their own life up right in a meeting. They would run out of	50
51	England for human sacrifice they are (there is) the inner and the outer process. The outer process is	51

52	a good group. They have free coffee houses, free clothing free, free places to live and so on and so	52
53	on. The inner practice human sacrifice. They teach a four god system, Yahweh as the evil god (and)	53
54	Lucifer as the good god. Jesus as (the) one being punished because he spoke against satan and satan	54
55	as the earthly god. They wear a cross, a big silver cross with a serpent engraved on the cross showing	55
56	that satan and Christ are one through the cross and they were rolled up, they were a contract. He,	56
57	(Manson) was paid, paid to do it (Manson was paid to kill). Tate (Sharon Tate, 60's Hollywood up and	57
58	coming star) was breaking away (from the Occult), her husband (Roman Polanski?) went to	58
59	establish an alibi in Europe. The money came down \$50 000 came down from... New Orleans. Poor	59
60	Manson only got \$2000 of it by the time it went through all the sticky fingers, but that's what the	60
61	Tate killing were (was) about. The others just happened to be there. She wanted out, and you don't	61
62	get out unless you come through Christ and she didn't think about trying that, and her mistake was	62
63	she warned them in advance. She was arguing with her husband, she was having a baby and she	63
64	didn't want the baby raised up in it, (the Occult) and she wanted out and if you remember the trial	64
65	script*(6) from the book? That's the one thing she begged, she said, not...you know over and over	65
66	she kept repeating over and over 'don't kill me don't kill my baby'. Her baby was what she cared	66
67	about and that's the information that I have on it. I belonged to the New Orleans branch and he was	67
68	called a disciple or an evangelist from the New Orleans branch. The process...they were the people	68
69	who first tried to kill me. The first incident that ever happened happened from them. They are very,	69
70	very radical they are located.. and they got a few scattered undercover groups in LA but they have	70
71	an open chapter in (San)Frisco. Any other questions? Question asked: (Are Epileptics demon	71
72	possessed?) I'm glad you asked that. When I was saved and I've got the veteran records to prove it...	72
73	I was an epileptic from a wound in (Viet)nam. I had an EEG (Electroencephalogram) this time last	73
74	year. The brain scan shows I'm still an epileptic. The first thing the people called out of me and they	74
75	did not know that I was an epileptic and I was taken to the (something) Santa Barbara in secret	75
76	(where) they called a demon of epilepsy out of me. I have never had, an epilepsy seizure since then	76
77	except when the VA (United States Department of Veterans Affairs (VA) got a court order about a	77
78	year and a half ago because they were concern for me and they made me take the medicine and I	78
79	went into seizure and they gave it up. I've never had a seizure and nobody I've ever called demon of	79
80	epilepsy out of has never had a seizure since, as long as they've stayed off the medicine*. There not	80
81	possessed and I want to add this real quick because of the King James Bible. Many places in the new	81
82	Testament...all demonic activity is called possession. If you get yourself a Greek lexicon*(8), and I	82
83	think pastor can verify it with me... only two cases in the New testament use the word that applies	83
84	to possession. The 16 th chapter of Acts and Legion. The others apply to activities, demonic activities	84
85	in their life. Alright now I'll give you an incident. We prayed for a girl when I was here last time, who	85
86	was the people I was (here with me?) You were upstairs with me weren't you? Who were the other	86
87	women upstairs with us? Was she her? She can testify the girl could not pray the pray of salvation	87
88	until we called certain demons out of her. When we were done praying the pray of salvation then we	88
89	called more out of her but certain ones had to go before she could even pray but they had not all	89
90	gone. If that's a little contrary to you that's because when you give your heart to the Lord, you give	90
91	your heart to the Lord - the flesh can still be occupied if you gave them, (the demons) permission to	91
92	come into your life through different things. Epilepsy, there's no argument about it. That's how Jesus	92
93	delivered and all the dilating and heterbarbing (slang term??) in the world will just feed the demon.	93
94	I've seen hundreds. I feel for epileptics because I went through years of epilepsy and I know the	94
95	feeling, the embarrassment of the seizure and everything, and I've never had... my brain waves show	95
96	that I'm still an epileptic. I guess if somebody had cancer and the Lord had done a miraculous thing	96
97	and they still saw the cancer under the scope and they weren't dying, but I don't know...but I had	97
98	the brainwave test and the brain scan. Both show I'm still an epileptic but I don't have a seizure and	98
99	I don't take the medicine. I really feel that the injury that was done to me was physical but the	99
100	demon causes the convulsion. That's my own experience as an ex epileptic. (Interruption in the tape	100
101	here, then the pastor relays another audience question: Who are the other members on the council	101
102	of the 13? (that being the highest level of the Illuminati underneath the leaders). I can only give you	102

103	the ones that were on it plus the girl who replaced me. There has been much assassination. There is	103
104	a war going on in the occult right now between the traditional and the modern. (Funny there's been	104
105	an argument between traditionalist and modern here, tinoght) but the traditionalist and the	105
106	modern. This is why I keep getting invitations to come back and join because I was one of the	106
107	traditionalist leaders and they thought that I got out, (of the illuminati) because the traditionalist	107
108	was losing or something so I left this is why they got... [name inaudible]. He's the leader of the	108
109	traditional, but the leader of the grand council as it stands about a week ago is Gavin Frost. He's	109
110	leader of the modern. He's the evangelic of the group. The ones who say everybody could be a	110
111	Witch. On it is the girl who took my place, Yvonne Collins or Ligena, is her name now. Many of these	111
112	names are Witch names, because I don't know their real names. That's the law in witchcraft. If they	112
113	don't choose to tell you, you can't ask, and even the council don't even know the other councillors	113
114	members correct names on it. Jesse bell who lives in Florida is the name of a lady (of another	114
115	councillor), Sheba, (Cybil lee?) Doctor Raymond Bucklin who used to lead it. Lauka is still on the	115
116	council...Louise Shoopna from, Los Angeles is on the council... Flora? From Chicago is on the council.	116
117	I think the others that were on it at the time are Mrs. Morgan from New York and Lavina from	117
118	France are still on the council. The others I think have either been killed or resigned and others have	118
119	been placed in their place. (Jon then speaks to the pastor then repeats another question from the	119
120	audience. "Can you clarify the difference between the traditionalist and the modern?" The	120
121	traditionalist witch believes you must be a hereditary witch. That means you must be born into a	121
122	family since before, (and have) a hereditary line. The modernists want everybody, particularly the	122
123	Christians most of all to be witches. (Question then asked: can you tell us about UFO'S?) In my sisters	123
124	connection there is a story that Jack Chick (Christian author/illustrator) had told these people a story	124
125	three yrs ago, of a story - I had told him. My sister, before my wife came around used to be leader of	125
126	the State of Ohio, the high priestess there of the whole state, and her little pass time was calling up,	126
127	supposable filling the sky with UFO'S and watching everybody's excitement. Some of the most	127
128	outstanding sightings were in the early 70's in Ohio and she used to laugh about it because she'd be	128
129	standing in a circle in a field somewhere calling up demons and that's all they were angels of light	129
130	playing games in the sky. Remember a demon gets a little spooky picture. There are a fallen angels	130
131	an unclean spirit. They can assume any form or go into anything except a Christian who walks in the	131
132	spirit all the time...you know, in other words a Christian who keeps it under the blood and so on, but	132
133	they can assume form including spacemen or solid objects like flying saucers and so on. That's why	133
134	when they appear on a radar scope and a jet gets up there they vanish right in front of the phallus	134
135	eye because they are nothing but a spirit (Pastor asks a question, "Possession, Obsession and	135
136	Oppression and how it relates to a Christian? Let's change the words around a little, Possession,	136
137	Obsession...no Possession, Oppression, Obsession and Depression, let's use those instead of the one	137
138	affliction. Possession means absolutely total ownership. You've seen one of the few I've seen four or	138
139	five cases in my whole life of possession and the young lady that we prayed for at the end of the	139
140	service was one of those that was possessed. That's how many in five years, and I have set in or	140
141	been part of close to a 1000 deliverances. You don't see very many cases of possession. Possession	141
142	means that person doesn't breath, eat, talk, say anything that the devil doesn't allow them to do	142
143	that inside of them. Maybe you've seen them. If you've tried to get somebody to pray and they	143
144	actually wanted to pray the pray of salvation but they can't get it out. That's possession. Son of Sam,	144
145	possession. Jon Todd five years ago, possession. Charles Manson, possession. Let me explain, you	145
146	know, this Legion was possessed? The girl in the 16th chapter (Of Acts: New Testament) was	146
147	possessed. You know something they did? They wanted help. They went and they went and they	147
148	challenged God. The most they could do was fall down and get the ministers attention. I've been in	148
149	meeting where they couldn't ask for deliverance because there spirit wouldn't let them, but they	149
150	could create a commotion by resisting the devil. What they would do was start thinking they wanted	150
151	free and the devil would start manifesting and that would draw the attention of a minister too them.	151
152	But most possessed people are possessed because, not so much because the demons are possessing	152
153	them but there possessing the demon*. I mean most of the cases I meet that's demonic activity (the	153

154 people involved) do not want to give up the spirit. Remember how much you fought to give up 154
155 particular spirits in your life? You did not want to give...(them up) you did not want to turn (them) 155
156 loose because you liked them. That may seem unusual to you but it goes on. Think of the man who 156
157 likes chasing women. He doesn't want to give up the demon of lust because he doesn't want to give 157
158 up chasing the women. Now oppression. Possession is impossible for a Christian. Don't ever let 158
159 anyone tell you that a Christian is possessed. That's an absolute lie of the devil. The next step is 159
160 oppression. That is where the Christians can come...(undone). Oppression... Possession resides in the 160
161 spirit or the heart of man, oppression resides in the soul or the mind of man. Obsession resides on 161
162 the flesh or the body of man. That would be the best way...(to describe it) depression is outside. It's 162
163 tormenting spirits from outside, unless it's a demon of depression and then its inside but usually 163
164 depression can be you not depending enough upon the Lord so allowing the devil to depress you. 164
165 I'm very funny I don't allow any in-betweens I'm not a sin straggler. It's either God or the devil there 165
166 isn't any in-between and that's the Lords own words. Your either with him or against him... that's 166
167 the definition of them. The pastor asks another question: How's witchcraft and the occult used in 167
168 every day?" Yeh...the Enquirer *magazine publication*). I get Pentecostals and Charismatic's upset 168
169 because I call kathryn kuhlman a witch. They want proof, the Enquirer...Anybody who has an article 169
170 done on faith healing and supernatural power in the Enquirer must appear in person before the 170
171 council of the grand druids. How many know about kuhlman's article several years ago in the 171
172 enquirer? You don't get in there without top approval from the board. Alright that settles it right 172
173 there as far as I'm concerned. I don't know how that makes you feel. Next you got symbols. Ok 173
174 without going in for a long sermon on symbols Witches and Masons identify their earth ship of 174
175 things to the others by their symbol, how many... (tape is riddled with noise here and sounds like 175
176 someone has scrubbed over something) he continues. Witches must do these eight things to perfect 176
177 themselves...(interruption again). It's 6000 years old. Two of them... One is drugs one is alcohol and 177
178 one is immoral sex. That's three right there alright without even going on any further. That's one 178
179 symbol, (maybe Jonnie was displaying objects). There's symbols all over the place. (Jonnie then 179
180 suddenly diverts again). The holy year to the illuminati is their birthday May first 1776 anybody 180
181 recognise that on a sign somewhere? Another beautiful one is.. (referring to a pamphlet pass around 181
182 the church that evening) - (subject changes again all of a sudden and he begins talking about 182
183 something entirely different. Montgomery Ward's and Moguls are one company. Moguls belongs to 183
184 a company that belongs to Standard Oil, Esseon and all of them it's one of the... it's probably 40% of 184
185 the (that) money(which)comes (from) to the illuminati, comes to that system of(from that) 185
186 company, so naturally those are going to be built up and protected more than others and what can I 186
187 tell you. I met a PR (public relations) man recently who told me he is the public relations man for the 187
188 new Star Wars sequel (Undoubtedly, The Empire Strikes Back). He's a homosexual. He told me there is 188
189 not one star that is that's a major start in the new movie that has not gone to bed with homosexuals 189
190 and in order to get the part he also said the majority of them are being picked from the top occult 190
191 soap opera in the country. Does anybody have an idea of what that soap opera is? Its 'Young and 191
192 Wrestles'. Reason? Brad for those of you who watch it. He's a Christian who councils through 192
193 astrology. Now one of the new stars is Snapper the new doctor on the show that will be that will be 193
194 in Star Wars. The guy told me, instead of 45% of the thing being on the force, 99% will be about the 194
195 force, and for the guys who like country and western music and think there are safe because... it's 195
196 not Rock (music), Tom C Hall has just brought out the best selling song, sold in a long time and is 196
197 called 'The Force' about good witchcraft battling bad witchcraft...(tape breaks again for another 197
198 question. "The question is about acupuncture".) Yeh, acupunctureit's part of a monks system that 198
199 also developed kung fu and other things out of china. Ok ill classify it along with layer trail, there's is 199
200 absolutely no scientific evidence that it...layer trails heal, but it (does) heals. When the people...a 200
201 new study came out, that had been healed by cancer through layer trail were tested for physic 201
202 powers they all rated in the 75% range which is excellent. In other words their faith in the drug and 202
203 since Gods not using the drug to heal them their faith in the healing power is (what's) healing them. 203
204 Now who's healing them? Right the devil, you didn't know the devil can heal well I'm sorry he can't. 204

205	He'll just end up given you something worse along the line, but that is what's healing and it	205
206	sweeping through the carra practic systems (haven't got a clue what this is someone pls spell and	206
207	identify the correct term) especially a lot of them are using layer trail and there's no medical thing to	207
208	heal you it's pure physic energy, if you were here this morning you'll know what psychic energy is,	208
209	(Another question asked that we don't hear) is there a connection between carrapracter? and the	209
210	occult? (Jon reiterating the question back), not that I know of, except the Mormons are now really	210
211	infiltrating the carra practic system with the herbs healing. (Question asked: Any occult involvement	211
212	with Hill?) Within five square miles of my area of where I live, that's where they dumping all the	212
213	bodies, Louise Shoopner (that Grand Councillor women) lives within the same area. I don't know, I	213
214	can't get any information at all so I don't know. You know there are holding things back... I doubt it	214
215	but I will tell you what is involved the same spirit that was in Son of Sam, (that is David Richard	215
216	Berkowitz the Son of Sam letter killer). The same spirit was in the trai?? back killer who said he killed	216
217	34 young boys after raping them so he could become the top mass murderer in the world and break	217
218	the record in Euston. These are demons that are going to come in the next year. Do you think this is	218
219	something? Wait until you pick up the newspaper every day and you read this new killer has struck	219
220	your going have killers all over the place that are trying to break each other's records because you've	220
221	got demons all over the place trying to break each other's records, Ok that's the best I can answer	221
222	you, I don't know if it was occult, it maybe but since there's no report of blood loss I doubt it.	222
223	(Question asked: Reflexology and Acupuncture). I have no idea. (Another question asked, about the	223
224	fake state energy crises. I'll repeat that, he said the last time I was here I mentioned the schedule	224
225	that the council of the Rothschild's had for domination of the world that would be fullfilled within 11	225
226	years of 1972 and he asked me if the that was fake. Can I add that word fake energy crises, had	226
227	anything to do with it. What do you think started it? That's what's going to cause WWIII. You've got	227
228	to get out of the system of thinking this guy over here is a bad guy and this guy over here is a good	228
229	guy you can't do that, it's not a football game. You can't pick the Rams over the Vikings (American	229
230	Football Teams) you can't pick America over Russia you can't pick redoll? (a political figure at the	230
231	time?) Over Regan (that being Ronald Reagan, the former US president). You can't do it you've got	231
232	to look to the guy who's calling the streets, his name is Rothschild. Remember now redots?, being	232
233	called the man of peace right now? So who wrote (to) him (him being redot, whoever he is) letters	233
234	asking him to go to Israel? Jimmy carter. (Another former US President) who set the whole thing up	234
235	Jimmy Carter...don't lose sight of it. He's been losing popularity. He's never had any popularity with	235
236	me. They say he's losing popularity with the conservative christian that's because the ones who	236
237	voted for him just because he was a christian have now learned he's not a christian. I heard a	237
238	speech, how many heard his press conference in Hungary? You really should buy a short wave set*.	238
239	I mean it, I really recommend it in my meeting. A Baptist over in Hungary...got up, who wrote for the	239
240	Baptist press over there? Don't know what kind of Baptist he was... but he got up and praised Carter	240
241	for being the Christian that uplifted the Christian standards in America. I don't know what paper he's	241
242	reading and would he (the Hungarian man) please get the Catholics off his back in Hungary he told	242
243	him (Jimmy Carter the US President at the time) 'sorry government and religion don't mix'. Why	243
244	don't the practice it here? No he's going to lose popularity, he's going to gain it but Carters the type	244
245	of man that if he thought he was going to lose the election he would take this country by force and if	245
246	you don't think the president of the Unites States can do it you better do some research he can	246
247	overnight (take over the country) over night by picking up the telephone. He could place us up	247
248	(under) martial law, suspend everything...He'll do it because...it's going to be the time... (Then	248
249	Jonnie agrees with someone in the audience talking to someone in the audience) I agree with you,	249
250	you better start praying. I hate the way Christians pray today now, (for instance) I lay me down a	250
251	sleep type pray you know, five second(s) (and) you've done your duty for the day. I don't know what	251
252	it is. I guess it's my habit in the occult. I had to spend hours meditating and reading everyday day, so	252
253	why can't I do it for the Lord? You know...I mean the Christian churches wonder why the witches are	253
254	walking all over them, because the witches pray life is stronger than the Christians pray life.	254
255	(Someone asks another question, not audible Must be something about JFK). Well I try to leave it	255

256	alone because the man who...See I'm kind of at fault with this? The man who led him to the Lord	256
257	was bribed out. He denies all this now. On one of the cheques trusts are huge parts of about 150	257
258	acres of land in Delarosa? Ohio. I arranged a bribes for one when I was in control. So I kind of leave it	258
259	alone. I mentioned it because I didn't want people to get any hope of the Kennedy assassination	259
260	being solved in congress. You know but...anyway he was led to the Lord in Ebor city which is a	260
261	[inadible two words] city within Kansas by the help of the Mayer who had just been converted to	261
262	Christianity and the minister who is now probably one of the biggest witches within Christianity,	262
263	bought and paid for, his names Leroy Jenkins, but back at the time he wasn't, (interjection) (Tape	263
264	then is muffled by a baby in the congregation screaming for attention or a second or too, then	264
265	someone asks about the Salem Witch Trials. Yes...I'll repeat all this he would like me to talk about	265
266	Salem (as in the Salem Witch trials) and the inquisition and the masons, and there contact in the	266
267	occult. I would love too. I think we'll finish. That will take the rest of the evening. Ok how many have	267
268	read or were taught history on Salem witchcraft in school? Sorry I'm going to disappoint you no	268
269	witches were killed, Christians were (it were) the witches (that) did the executions and if you want to	269
270	spend a few thousand extra dollars in a month like my wife and I did go to the Essex Museum in	270
271	Salem. If you can trick your way into the library like we did, but you're not supposed to be able to	271
272	and look at the original manuscripts. You'll find out that the Collins and the Cutlers (occult families)	272
273	and the others that were there were involved with the witchcraft and the main charge which never	273
274	comes out in any of our history books, was that the people who were executed were all from	274
275	another town (and) were holding bible studies in their homes teaching born again experiences and	275
276	also accepting the book of revelations which was outlawed, but that didn't come out in our history	276
277	books but that were some of the main charges. The next thing that went on (was) the inquisition	277
278	...was none of the big witches were ever killed most of the people that were killed weren't witches	278
279	because the witches sure use it against us. It's like Salem now. They know in Salem no witches were	279
280	killed but they use it against Christians. They also no in the inquisition that (there were some)	280
281	witches there that they used (it) against us. The bad point is that, and I want to give this too you in	281
282	case its ever thrown at you they used Jon Wesley against us. Before his salvation he was a paid for	282
283	witch hunter in England and was responsible for thousands of deaths in England. That was before	283
284	his salvation but they neglect to bring that up because they don't believe in salvation. Now the good	284
285	ones (facetiously referring to Masons) the Masons... for years now I've been talking to Jack Chick	285
286	(Christian author/illustrator) that the masons were initiated just like witchcraft people and I guess it	286
287	never really sunk through to his head. So I got the blackboard out and I drew him (a picture) and	287
288	took him word for word, step for step (through) the initiation into witchcraft at the first level when	288
289	you join the coven for the first time. Well that's what the masons do (unknown word) that's what I	289
290	have been trying to tell (him) the vow of secrecy I had. Masons deny that there was a knife pointed	290
291	at them when they were lead by the summoner to the challenger to the circle to be initiated but the	291
292	knife is there just as it is in witchcraft. They are blindfolded. They are bound, just like in witchcraft.	292
293	They are lead by the summoner to the challenger to the circle with a star, five points in it, with the	293
294	alter. They are lead through the gates at the same point in at the exit of the circle. At the other point	294
295	and it called being reborn. The three only points that are different is we receive a new name and a	295
296	sprinkled baptism a completely new name when we are initiated into witchcraft. We drop our robes	296
297	so we are nude when we walk into the circle. We are re-robed because we are born again in the	297
298	circle. That's in chains now because the modern says we were saved the whole time. Just like the	298
299	masons. The other is our wrists are cut, but they are doing away with that in witchcraft now. So the	299
300	only difference between it now and between the Manson is the sprinkle baptism and they've given	300
301	a new name the initiation word for word from the time you walk up to the circle to the time you	301
302	leave it. Action for action it is the same as that, that I took, that my wife took, that anybody else took	302
303	when we first joined witchcraft. It's what a mason does when he joins. Now you know you tell me	303
304	that the masons are Christians? The masons were formed as a Calvinistic organisation so that going	304
305	under cover they could protect themselves from the persecution of witchcraft when witches were	305
306	being persecuted and that's how they were formed and that's their right. Alistair Crawly? (Renown	306

307	occultist) some of you may know about, some of you may not, left the Golden Dawns. Which is the	307
308	private coven of the Rothschild's (and) formed his own group. He didn't drop out of the illuminati	308
309	but he almost got himself killed, because he published two books called the 'Order of the Golden	309
310	Dawn'. They (the Rothchilds) didn't mind any of it except he drew the temple of the Rothschild's	310
311	personal coven. He drew all the banners on the wall where the alter was set up, that the people	311
312	were taught, everything and it just so happened that there was a book out on Mormonism at the	312
313	same time that had that had the very same picture in of a mason temple. That's my statement on	313
314	masonry. (Another question unheard asked, possibly about Yoga). Almost all of it is financed over	314
315	mind control. Alpha mind control. A lot of the different leagues, the literacy leagues groups that are	315
316	involved in it besides meditation will lead to, if you go on in to it particularly yoga (to transcendental	316
317	meditation and astral projectionand (and) other things. The problem with the mediation groups is	317
318	they give you they give you half truths in the beginning. It's like in witchcraft, and then as you go	318
319	deeper and deeper all of a sudden there's things they tell you that they did in the beginning that	319
320	they are now teaching you if you stay with it far enough... and I personally believe that one of the	320
321	best ways to fill yourself with up with demons is to go into meditation groups. Ok were running out	321
322	of time. (Tapes finish here after some farewells).	322
