

JOHN TODD: TAPE THREE. A Page.ONE

1	Well this is the difference from when I was here a month or so ago. I'm surprised I guess I really	1
2	should (thank God) night and day that somebody invented the cassette recorder. We get letters	2
3	every week, ten, twenty, thirty letters (from) people that are have heard our tapes and our ministry	3
4	and that it has done something for their lives. In places we've never been and people we'll never	4
5	see. So I was a little shocked tonight when so many people who had heard my testimony that had	5
6	never met me. But then there was a lot of people that Paul left... he's been gone a long time (John	6
7	refers to some sheets telling people to take notes)...But I'll start with the yellow sheet and I want	7
8	you to write a scripture text across it. Revelations 18-23. At the bottom of the Scripture it says. 'Thy	8
9	merchants were the great men of the earth and for by their sorcerers* were all there nations	9
10	deceived', talking of Babylon. There's no better scripture I know from the word of God to describe	10
11	the illuminati. Which is what we'll be talking about tonight and were going to start... Find the three	11
12	pyramids...and take out the Sphinx. Now most people do not understand the illuminati. How many	12
13	people have done any study on the illuminati before they heard of me? How many have done some	13
14	since they heard my tapes? A couple, boy are the rest of you in for a surprise tonight. I don't want	14
15	people to listen to me and walk out of here and just accept the things I have. I kind of like it when	15
16	people go out of here and say 'boy he's nuts', because they go and try to research to prove that I'm	16
17	wrong, and the more research the more they start believing me. It is impossible to research history	17
18	and to research the conspiracy and research the illuminati without coming away a solid believer. As	18
19	the brother who prepared these, brother Tom Berry said. He said he went through almost two	19
20	thousand books for twenty sheets of note book paper filled with notes. That's how well it was	20
21	hidden. How many people have a set of encyclopaedias at home a good set? Go home tonight look	21
22	up the word illuminate. In some of the encyclopaedias you will find that it existed but does not exist	22
23	now, and in other encyclopaedias you will find it existed but still exists now but they don't tell you	23
24	anything about it. Before we go in to it I want to give you a reading list. Now I want to explain a book	24
25	before I give its title and I want you to choose carefully as to whether you want it or not. I don't	25
26	want you later getting mad at me because I recommended it. It is not a Christian book, it is not a	26
27	political book, it is an illuminatist book. The book was ordered, written and produced by Phillipe	27
28	Rothschild. The leader of the illuminati in this day and age. It was ordered, written by a women	28
29	named Anne Rand* and she was at that time one of Phillipe Rothschild's mistresses. It was written	29
30	some twelve years ago. She was already a well know author and her books sell nationwide. Mostly	30
31	people who read them are communists and she wrote this book. It was supposed to be a novel. It's	31
32	1100 pages so if you don't like to read don't buy it. And it was written as a novel supposable, but it is	32
33	a code book and within the book is a 'Step by Step' plan to take over the whole world, by taken over	33
34	the United States. Now I'm going to say a lot of things tonight that a lot of people will go out of here	34
35	and say that I'm anti American. No I'm extremely pro American I couldn't be that until I became a	35
36	Christian. I'm extremely pro American. I'm just Anti Government that exist within America today.	36
37	Because it is not the government of the people any longer and I'm pro people government. That's a	37
38	term that used by Communists a lot. I'm sorry if your upset that I used it, but that's exactly what it	38
39	say in the Constitution.... Now the power of the illuminati, and I'll give an explanation. The illuminati	39
40	is as follows. First most people have found the illuminati in things that have crossed their path.	40
41	People have found the illuminati in the occult and mistakenly they've said 'ha-ha' the illuminati is	41
42	the 'occult'. Then they have found it in the 'Masons' and they have said 'ha-ha' the illuminati is the	42
43	'Masons'. Then they have it in politics and they've said, 'Oh its Politics' and they've found it in the	43
44	'International Banking System' or they've found it in 'Zionism'. So they list it as just being that.	44
45	Actually it's all these things and much more. They've found it in the 'Mormon Religion' that's	45

46	because the leaders of the Mormon religion are high Eshkilons? in the illuminati. They've found it in	46
47	the 'John Birch Society'. That's because the man that leads the 'John Birch Society' is both a high	47
48	degree mason and a mormon. But it is all these things and its power is finance. If you take its finance	48
49	away, which is impossible. Oh I'm sorry I forgot to tell you the name of the book I just realised that.	49
50	I'm getting ahead of myself. The book is called 'Atlas Shrugged'. You know Atlas? You know Atlas	50
51	supposed to hold up the world? And shrugged like you shrug your shoulders? Now this is the	51
52	warning that goes with it. I will be talking about occult books tonight and how demons are in occult	52
53	books and in their music and so on. This isn't so with this book. They didn't place a spell on this book	53
54	because they did not want people to buy this book, other than those told to buy it within the occult	54
55	and within the illuminati. They are extremely mad because just this year alone they sold several	55
56	millions of them, mostly to Christians and they don't like that. In fact they tried to stop printing it but	56
57	people don't want to stop printing it they making so much money. The bad thing about it though is	57
58	that since it is written as a novel it has some passages that I think might belong in 'Hustler'* or other	58
59	places. Maybe out of 1100 pages you might count five that are this way. You can tear them out and	59
60	throw them away. They're stuck in there on purpose to stop Christians from reading the book. If you	60
61	should get to a passage that is a little something you shouldn't read turn to the next page it will be	61
62	over by then and then you can go on with the story. Now if you don't like to read skip the first 200	62
63	pages. The first 200 pages are exactly the same as the people in the world are. They are very boring.	63
64	No actually there's a conspiracy from all walks of life, talking about this incident happening and that	64
65	incident happening and you know it's very boring to the fact that it's to let you know it's a	65
66	conspiracy that's planning instances. It's like reading the newspaper today you don't really know	66
67	what's happening behind it. But after about the first two hundred pages, eight or nine chapters	67
68	something like that, it starts showing you that everything that is happening is conspired to happen	68
69	and I'm going to give all these things. I'm going to say something before I give the rest of the reading	69
70	list. The common name for the illuminati is the conspiracy or the great conspiracy. Now until we lost	70
71	the school system to people within the communist party and with the organisation of the illuminati	71
72	and so on. You were taught in your history classes, and some people can remember this if they want	72
73	to confess up to being that old that. History happens because someone conspired for it to happen.	73
74	Then we didn't want in this nation to get ideas that maybe our government was a conspiracy so they	74
75	decided to start teaching that it happened because it just happened, you know? WWII happened just	75
76	because some people got mad. WWI happened because some people got mad. The depression	76
77	happened because we bought too much too soon without enough money. They did not want	77
78	anybody to get the idea that it all happened because someone conspired for it to happen. I hope to	78
79	accomplish one thing tonight more than anything that I will change your attitude that I'll set new	79
80	forms or patterns, whatever in your life. That you will walk out of here and when something happens	80
81	you'll go out of here and you'll go 'Now I wonder what their really up too?...its real ok. We'll be	81
82	talking about a few things tonight and we'll start with the yellow sheet. I want you to look at the	82
83	yellow sheet. Under the First National Bank, write 'Federal Reserve Act'. The Federal Reserve	83
84	Commission (FRC), or (FRA) whichever way you want to write it. You can abbreviate it or whatever	84
85	you want to do. Now if you look at the pyramids, let's start with the one that says 'Organisation'.	85
86	Now there's no way you can preach a sermon when I'm teaching like this. I'm going to play school	86
87	teacher tonight. If some of you find it boring you happen to be in the wrong meeting, because you	87
88	might as well think that your back at high school or going to college or whatever because that's	88
89	about what it's going to be like tonight. I'm going to give a a lot of facts. I'm going to try and leave	89
90	enough time so that we can have some questions. There's no way I'm going to say all I'm going to	90

91	say tonight without leaving some people in confusion (he refers to the yellow sheet again). Start	91
92	with the one that says 'organisation'. If you'll notice on all the pyramids, the first three blocks are	92
93	exactly the same. Now if you heard my testimony you know that I came from the council of 13. Now	93
94	I want to stop and take about 3 mins to explain the doctrine of the high part of the occult. The first,	94
95	the last four levels of the occult or the last three levels of the occult, 4 th 5 th and 6 th level and most of	95
96	the modern cults today, particularly Mormonism believe the same thing. How many people ever saw	96
97	the movie called the 'Dunwhich horror'?... I think Sandra Dee was the star of it or something. That	97
98	was probably one of the strongest movies truthfully about witchcraft and their beliefs that ever	98
99	existed. Now the original occult bible was called the Necronmonicon there only three copies in	99
100	existence today. One is in Saint Petersburg Cathedral in (Russia) one is in Glasgow, and one is in	100
101	London. I saw when it when it was on, the one from London was in New York for a while. I got to see	101
102	it hold it and look at it, when I was in the occult. Now from that, 'The Book of Shadows' came into	102
103	existence. Several books have been written from the Necrominocon and are in Christian's hands	103
104	today, and I hope that we'll burn before it's over. Now according to the Necromonicon the beginning	104
105	of the world happened, that man or mortals, (if you watch 'bewitched*' you know the difference	105
106	between witches and mortals). That mortals or every day earth man and women and so on, kind of	106
107	descended from the apes and so on and that at the beginning of this world the son of the creator of	107
108	all the dimensions and universe came from the dimension that the gods dwell in. They came here	108
109	(believe it all not by flying saucers) and that they mated with the people of this world and their	109
110	children were the witches. And this is actually found in the book of 'Enoch' which contains the book	110
111	of 'Noah' which contains all this garbage. Now according to it the 'little people' were the witches,	111
112	the fairies, the hobbits, the elves and so on and they were the dwellers of this world and then	112
113	through intermarriage they started becoming every day people. Now the son of lucifer was called	113
114	Adam. Now this is exactly, accept they don't call him lucifer, that is in the Mormon bible and that	114
115	Adam being the father of this world and Eve (they also called Ashera, Dianna, Ices, Aphroditu many	115
116	names. Hector, Celine and in other words the mother of creation was his wife. Now according to this	116
117	doctrine the people that came to this world were the gods that lived on Olympus and other places of	117
118	high altitude and when the Rothschild's back in about the 17 th century or so...the gods started living	118
119	in the Rothschild's. They had chosen them as the purist family in the occult belief and through the	119
120	Rothschild's, making them gods not mortals and not witches but gods themselves. They created the	120
121	illuminati. Now I might throw in this and well discuss it later that (they believe) Adam is alive again	121
122	today and is ready to rule the world. With peace by the way what else? Now if you look at the	122
123	pyramid the capstone is free from the pyramid because the capstone is the Rothschild's and they do	123
124	not consider them human. They consider them gods and the eye is the father god Lucifer. Now the	124
125	council of thirteen is right there because they are the Rothschild's private ministers. The illuminati	125
126	functions as all of the pagan governments used to function, of Babylon, of Moab of Egypt of Greece	126
127	of Rome of Scotland of Ireland and so on all the pagan government functioned the same way. The	127
128	priest and priestesses of the temple told the rulers of the government like the pharaohs or the	128
129	Caesars whatever what to do because they were told by the gods what to do and the pharaohs	129
130	listened to them. Now in this case the gods are the Rothschild's. So if while I'm speaking tonight and	130
131	if you've heard my testimony, (you ask) why can one man so young in witchcraft and so on tell	131
132	governor senators and sometimes even presidents what to do? It's because they belong to the	132
133	illuminati and the illuminati is a pagan government that listens to them, because they don't give the	133
134	orders they simply repeat the orders that was given to them by that capstone called the	134
135	Rothschild's. Now we drew the three pyramids that make up the illuminati and you can study them	135

136	later but there's one that I want to take before I go on to the yellow sheet...let's take organisations	136
137	real quick. I want to read you something...and I know we have some Masons here, I'm going to get	137
138	you again. Now many of you know that I did a book for Chick Publications called 'The Broken Cross?'	138
139	We've written another one, it will be out in about three months. You wouldn't believe the threats	139
140	that have come over this book. It hits the mormons, it hits the occult, it hits the conspiracy and the	140
141	Rothschild's. It hits the masons. Man I think they're going to have to go into a bombproof shelter	141
142	instead of bullet proof windows over there. And it's really brought the infiltrators within the	142
143	Christian church out into the public, and I'm going to read you a passage that came out of the book.	143
144	I'm going to read you a passage from one of the highest books written in mason. It is a book that is	144
145	only suppose to be read by 33 rd degree masons. For those of the 30 th , 31 st and 32 nd , who's lives prove	145
146	that they are not Christians. That they can hand this book too. We have a copy of it and we	146
147	photostacked? a copy and we have been showing it around the country. We have been getting	147
148	people out of the masons right, left. Of course we got a lot of masons mad at us too, but I'm not	148
149	going to do what I usually do and pick on these people tonight I'm just simply going to read from two	149
150	books of their books, and im going to let the masons draw their own conclusions. 'That what we	150
151	must say to the crowd is, we worship a god but it is a god that one adores without superstition to	151
152	you Sovereign, Grand Inspectors, General, we say this, 'You may repeat it to the brethren, the 32 nd	152
153	31 st and 30 th degree. The Masonic religion should be by all of us initiates of the high degree	153
154	maintained in the purity of the luciferian doctrine. If Lucifer were not god, Abbydon, (Abbydon was	154
155	found in revelations for you students of revelation as the keeper of the pit, the demon over all the	155
156	rest of the demons.) When Abbydon the god of the Christians who's deeds proved his cruelty	156
157	profanity and hatred of man, barbarism and repulsion for science. When abbydon and his priests	157
158	comminate? him, yes lucifer is god. Thus the doctrine of satanism is a heresy and the true and pure	158
159	philosophical religion is the belief in Lucifer. The equal of Abbydon, Jesus Christ, but Lucifer god of	159
160	life god of good is struggling for humanity against Abbydon the god of darkness and evil. Their calling	160
161	Jesus Abbydon, their calling Lucifer everything we believe of Jesus and Jesus everything we believe	161
162	of the devil and that's in one of their own books. Now if you'll notice on any of these three blocks	162
163	you'll notice the council of the 33. The council of 33 is the following, within the masons there is the	163
164	32 nd degree then there is the honorary 33 rd and there is the the 33 rd . I going to read you from the	164
165	'Lost Keys of Free Masonary, written by Manly T Hall a 33 rd degree mason and co arthored by	165
166	another man 33 rd degree and illustrated by a 32 nd degree mason. All still all within the masons. This	166
167	was written in 1942. It's a book for masons only. I'm going to read you the initiation to become a	167
168	member of the council of 33, the second highest council in the masons, I mean within the illuminati.	168
169	When the mason learns that the key to the warrior on the block is the proper application of the	169
170	dynamo of living power he has learned the creed of his craft. The seething energy of lucifer are in his	170
171	hands and before he may step onward and upward he must prove his ability to properly apply	171
172	energy. He must follow in the footsteps of his forefather Tubal Cain. Who with the mighty strength	172
173	of the war god hammered his sword into a ploughshape? Now when I was saved I complained	173
174	...(corrects himself). When I was in the occult I complained at our council meetings because the 33 rd	174
175	council had so much power and I felt it was unjust because I had proven myself so greatly to lucifer.	175
176	...Witches are very proud people, and I complained that they didn't do the same things. Now we	176
177	really didn't know what the council of 33 did or what their rights were because we were occult and	177
178	they were masons. When I got saved and saw this I found out they did do the same things. The	178
179	'Warrior on the Block Right'...Remember I said they had to prove their ability to properly apply this	179
180	energy? The 'Warrior on the Block Right' is human sacrifice. They did do the same right. The very	180

181	leaders that lead the Masonic belief, remember they said of the high initiates. They laugh at the Blue	181
182	Lodge and those below them because of what they really know and who they really worship. We had	182
183	a man saved about two weeks ago ...about 3 weeks ago now, from Jacksonville Florida. He was a	183
184	32 nd degree mason. His father was a 33 rd . His future father-in-law was a 33 rd . His mother future	184
185	mother-in-law and fiancé we all in the Eastern Star and he was ready to perform the warrior on the	185
186	block when he was saved. He told us 'can I come hide at your retreat my own parents will set me up	186
187	to be killed', because he had left the masons. Now that's a 32nd degree mason saying that. You think	187
188	about it. Now you go with me to the back of that purple sheet were it says 'Oragnisations'. The	188
189	'Trilateral Council' and the 'Council of Foreign Affairs'. There's two separate blocks there and it	189
190	shouldn't really be, you can leave it this way. The Trilateral Council is the brain centre of the Council	190
191	of Foreign Relations. Most people do not know that America, without being an official member is a	191
192	member of the European Common Market. The TLC is the American version of the European	192
193	Common Market. Every man in the Council of Foreign Relations and everyman in the Trilateral	193
194	Council believes that lucifer is god supreme (and) has declared it. Taken a vow of secrecy and has	194
195	dedicated his life to see that Adam gains the world. Our president is a member of the trilateral	195
196	council. That is a well known fact for people who dig into politics. So don't anybody please tell me	196
197	how great a Christian he is (ionnie refers to a yellow sheet again telling people to look at the Sphinx).	197
198	I'm going to give you the rest of that reading list. I haven't forgotten, just bare with me. When start	198
199	studying 'Atlas Shrugged', (the book was written as I said twelve years ago...),you will find out that	199
200	you are reading the front pages of the newspapers today. The oil shortage that doesn't exist? They	200
201	say that they destroy their own oil wells, that they hide their own oil, so nobody can have it, they	201
202	state how they destroy the coal mines and shut the coal mines down to shut the electricity down*.	202
203	They state how they cripple the country and no food is grown. It states, how they pick and derail	203
204	trains and so that no trains go. It states how they seek and pirate thousands of ships every year. We	204
205	just recently heard a report by the coast guard down in Florida. How they're asking people not to sail	205
206	out or sail a craft in the Bermuda triangle area, not because they believe in the Bermuda triangle but	206
207	because over one thousand ships were pirated last year and everybody on board was killed and	207
208	dumped in the ocean. Now they don't like to put that on the front pages. You see that might cause	208
209	some people to wonder about this thing, and this is all in this book that was written twelve years	209
210	ago. And in the book they gain control of the world by bankrupting their own businesses. The	210
211	illuminati owns most... I'd say ninety and nine tenths of the stores you walk into and the gas stations	211
212	you go too... and they are going to destroy them on purpose. They are in the process of buying up in	212
213	the last few years all the stores they don't own. They bought up Grants*. They bankrupt it. They just	213
214	bought up two guys and you can wait for them to go out of business. They (will) keep in business	214
215	the ones they've always owned and they're going to bankrupt them before long and cripple them	215
216	and destroy them. The idea of taking over is to bankrupt the whole world, where nothing is of any	216
217	value and currency does not exist anyway and then come back and solve all the problems. I heard	217
218	the Gakers?* which are my favourite group recently play on a record in live concert. The guy was	218
219	talking about the energy crises. He says 'It's funny it doesn't matter whether it's Republicans or	219
220	Democrats. They get elected; they cause us problems and then solve them so it looks like they are	220
221	doing something'. Now that's about the way it really is, and in the book.. in Atlas Shrugged (it) ends	221
222	with the hero John Galt, which is really Phillip Rothschild lifting his hand up in the air and drawing	222
223	the symbol of his organisation, (never says illuminati in the book) in the air and says 'We shall follow	223
224	this symbol back', and the symbol that he draws is that...It's the dollar sign. Now the dollar sign is	224
225	only used in America by the way, nowhere else to represent money. It's almost 8000 yrs old or	225

226	probably older, it goes back... you'll find it in the pyramids, and it means to scourge or to punish and	226
227	through punishment to purify and make right that's what it means. Funny that's what we symbolise	227
228	our money (with). Now the Rothschild's lead the illuminati and in every country they have a family	228
229	with the head of that family being the head of the illuminati. In the United States with have the	229
230	Rockefellers. David Rockefeller is the head of both the Council of Foreign Relations or the Trilateral	230
231	administration or Council which is the name of the illuminati within the United States. (Jonnie then	231
232	refers to the yellow sheet again saying the main blocks/drawing on it, concern America)... and the	232
233	main source of finance for the illuminati in the whole world but in particularly the United States is	233
234	the Standard Oil Company. Now I'm going to educate you about something tonight, that the	234
235	illuminati would hope nobody would ever find out about because you can check out who owns	235
236	Standard Oil. That's David Rockefeller. He's the owner of Standard Oil. Now when we were in the	236
237	illuminati we had to learn the hieroglyphics of the illuminati and we had to go and shop at the stores	237
238	that the illuminati marked themselves, marked their stores by. Of course they own almost	238
239	everything but there main business they mark and Standard Oil is the conglomerate that owns	239
240	almost everything. I'm going to tell you the thing they own you aren't going to believe what they	240
241	own it's that astonishing. If I asked most people today besides Standard Oil. In fact I'm going too.	241
242	What would you say is the number one conglomerate within the United States? Anybody tell me	242
243	besides Standard Oil? Seers? That's Standard Oil. General Oil, that's one of Witknots? Standard oil	243
244	owns General Motors. They own Ford, they own American Motors, they own Cristler?. Now you'll	244
245	see Federal Department Stores down here. Federal Department Store is Seers, and a man very close,	245
246	very powerful in the illuminati that doesn't live too far from here that owns all the Federal	246
247	Department Stores, lives in Columbus. His name is Lazarus. Now Lazarus owns Federal Department	247
248	Stores, Federal Department Stores owns Gold Circle. They own Cresskies*? which owns Kmart. They	248
249	own just about every department store in the United States. Glow, onterials? and so on. They own	249
250	Woolworths which owns Wilkos, but Standard owns Mogul and Mogul owns Montgomery Ward's.	250
251	You get the message. Now you can find out what Standard owns because they mark their	251
252	symbols...signs with Blue and Red. Everything they own. That's also in all of their oil companies.	252
253	(They) mark their oil companies with occult symbols. The main symbol is a sign of their god, the five	253
254	pointed star. Now the strongest version I've ever seen of it was a five pointed star radiating rainbow	254
255	colours because they know that lucifer is the god of the rainbow as they put it, and if you read	255
256	Ezekiel 28 you'll find out he is. He does kind of radiate like a rainbow. He's covered with different	256
257	colours jewels and so on, and this thing the snorkel with the arrow through it, because that's the	257
258	sign of casting a spell. The arrow they use 76 because May first 1776 is the birthday of the illuminati.	258
259	They use the sign of what witches practice in this Magic Circle when they write Mogul? They write	259
260	everything in blue but they leave the circle in red most people don't even notice that, there's a	260
261	difference. The Winged Horse in Marathon is 'Pegasus' (the) messenger of the gods. It goes on and	261
262	on. Holiday Inn, is the star with the rainbows and you just go on and on the age old path of what a	262
263	witch must master to become a powerful witch is the symbol of Demes?? ...That's owned by them. I	263
264	see that they've got Seers separate from Federal Department Stores they really shouldn't. Shell Oil	264
265	was the last Oil Company to go and Queen Julienne? which is a member of the 500 here and her	265
266	husband Prince Brighten? and Phillip Rothschild own 90 percent of Shell Oil. Gaul doesn't bear an	266
267	occult sign because it is owned by British products. But British product's is owned by the illuminati.	267
268	Farzios? Is owned by the mafia which is controlled by the illuminati. I don't know why Union 76 is	268
269	separate because it's a member of Standard Oil. But this will give you an idea, and First National	269
270	Bank is doing a new thing now (its) putting out thirteen circles on their building with all the emblems	270

271	of the illuminati on it. I guess they want lots of power. They've used the thirteen plus the eye and	271
272	plus... oh different things and so on. Chase Manhattan Bank and Bank America are both owned by	272
273	the Rockefellers. First National is owned by the Dows and the DuPont's and the Kennedys. The	273
274	Federal Reserve Act. Most people think is a section of the Unites States Government. It is not. The	274
275	Federal Reserve Act is a stock holder owned company. It illegal, it's against the constitution of the	275
276	United States, but nobody dares oppose it. Now what most people don't realise is that the	276
277	Constitution of Congress will set a rate and wages against the values of our dollar. But the Federal	277
278	Reserve Act does that (now). The Federal Reserve Act was pushed through by Woodrow Wilson? The	278
279	first illuminati president since Thomas Jefferson. And he was smart. He adjourned everybody to go	279
280	home for the Christmas holidays and kept fifty five congressmen and senators back who belonged to	280
281	the illuminati. This is back before they ran congress and before everybody could get back he	281
282	adjourned congress and they passed the Federal Reserve Act. You see now they do it a different	282
283	way, they own everybody. Now I want to say a couple more things then were going to go into	283
284	something here. On those signs then, where going to take questions (Jonnie refers to a blue sheets	284
285	mentioning points from the illuminati plan for world take over) 1: Democratic president get us ? and	285
286	inactive?? There talking about J.C (Jimmy Carter) The first law that the illuminati has that they have	286
287	not passed yet is the number one law they want passed. It is called the Deed Gun Act. It's penned by	287
288	Isaac Bonawick? which you'll find on the council of thirteen list there. But it's supposed to really be	288
289	penned by Martin Dees? who lead Jimmy Carters campaign. And is head of the National Hand Gun	289
290	Control Centre in Atlanta Georgia. Now most people do not know how important it is that we not	290
291	lose our constitutional right to own a gun. The illuminati will never be able to start 'Helter Skelter'.	291
292	(which is on this thing you can read about it later) unless they can convince the people that they are	292
293	not going to have to go from door to door fighting their way down the street as they burn and kill	293
294	and rape and kill and everything else. So they have promised them, they'll be nothing existing in the	294
295	form of guns in anybody's hands within the next year and a half. Now I think that's where the	295
296	illuminati is going to have a little problem . They had counted on passing the same law in	296
297	Massachusetts as a test law and it lost. The law would have gave the National Guard the right to	297
298	come into your home and the State Police without a search warrant and search for your guns and	298
299	confiscate and arrest you if you hadn't turned them in within 60 days of the passing of the law. They	299
300	thought since Massachusetts was the strongest 'Anti Gun State within the nation since Ted Kennedy	300
301	supposable wrote the bill himself it would get passed, boy were they in for a shock. It lost by a land	301
302	slide almost three to one, and that is a growing fear, (within the illuminate) that, that same law	302
303	would not be passed in the Unites States. Now the other laws 'Remove Tax Exemption from	303
304	Churches House Bill 41. I spoke of when I was here before. By the way did they pass that bill here	304
305	(jonnie speaks to the audience). That's the one you were fighting 1441 did they pass it?, they did	305
306	pass it? It was about tax or something here. It didn't come for vote? Now 41, I understand has been	306
307	passed by now at least by my information of what I can gather, and it is supposed to poll the tax	307
308	exemption from churches not belonging to the World Council of Churches or not having	308
309	memberships of 500 and then it says 'You should go to court and prove that you are tax deductible'	309
310	and you'll spend a couple of million dollars in court so it's not worth battling. Then those that keep	310
311	their status all except those belonging to the World Council, of Churches, the National Council of	311
312	Church Denominations (which leads out Independent Baptists by the way), all except them, no other	312
313	exemption. You will have your name your address your phone number printed in every post office in	313
314	the United States. Plus you may have an IRS on it without any reason just because your gave the gift	314
315	to the thing? This is what the bills about. The next is the Genocide Act. Now this law was defeated	315

316	eight years ago and it's up for vote again in about three to four weeks. Now it will send you to	316
317	Federal Penitentiary if you convert somebody from the faith that they were born into. I don't mean	317
318	'born again' into. It's a copy of a law in Egypt, that you must leave everybody alone to your own	318
319	faith. That means if you convert a Mormon, a Catholic a Sothern Baptist something like this. If you	319
320	convert someone from another faith even if there over twenty one their parents may press charges	320
321	against you and have you indicted not for conversion of somebody, catch this, for genocide and	321
322	you'll stand trial. Not for some misdemeanour but for murder. That's right and that one is being	322
323	pushed through. The next is the Presidential Martial Law Act. It's called the Martial Law Act. It's	323
324	already been passed last November, signed inactive in Law*. Now I want to say something if you	324
325	haven't heard about these. That's because you typically do something that the illuminati counts	325
326	upon. Now people I'm going to try change your life with this. When Congress is arguing over	326
327	something about a law that they're going to pass or something they want to do or somebody they	327
328	want to fire. Start digging and find out what they are really doing, that you're not hearing on the	328
329	television. The only time congress or the government argues or does publicity about anything they	329
330	are doing is when they don't want you to know what else they are doing Its a smoke screen when	330
331	they fired the guy, I can't think of his name now. (who) was on President Carters Committee and so	331
332	on. When they fired him, they passed the Martial Law Act when you weren't looking. Right now	332
333	they passed House Bill 41 and there trying to pass the Genocide Act without you knowing about it.	333
334	While they argue over the Paramour Canal. Now where never going to get the Paramour Canal up	334
335	even if we get the law passed, because we're supposed to get it up in the year (2000) and all the	335
336	people in politics believe we'll have a world government by the year 1980. So they don't believe the	336
337	Paramour Canal is going to exist anymore, that it's going to be blown off the face of the map in a	337
338	World War about the year 1980. So they don't care what they do (or what) they are arguing over...	338
339	They could pass it right now if they wanted too. There arguing over it and gaining as much publicity	339
340	as possible so you'll won't know about the other laws they are trying to pass. So when you hear	340
341	something big explode like the upcoming trials of the Congressmen and so on and the Korean thing	341
342	That's probably about the time that they'll probably pass the Anti 40 Act and finish up the Genocide	342
343	Act. The Anti '40 Act' forbids you to own more than one month's food or one month's fuel supply on	343
344	the penalty on one year and 5000 dollar fines. One year in Federal Penitentiary. Now I want you to	344
345	go home and ask yourself why our government, (were not starving yet), we will be before long but	345
346	not yet. Why they want to pass the law for forbidding you to have more than one month's food	346
347	supply in your home. Why you are not allowed to stock pile food. Where not in World War II where	347
348	you needed to have to do this, where now. There's a reason for it, those are the major laws that	348
349	they are trying to pass. Now I got all that stuff out of the way now I'll play school teacher...(Tape	349
350	should end here as it goes back to earlier on briefly for a few seconds then stops.)	350
