

1	TAPE STARTS in the middle of a question and answer session...Is worse than no knowledge and in all	1
2	of theirs (teaching) they stop the illuminati at the Rockefellers. They are always are after David and	2
3	Nelson and these type of people as the leaders of the illuminati. They're not. Second they also say	3
4	that the illuminati has been, and it's in many books and I can prove it and in many tapes, that the	4
5	illuminati is a Zionist conspiracy and it is not a Zionist conspiracy. The learned elders of Zion, or the	5
6	'synagogue of satan', were Jews that believed that lucifer was the true god, existed before the	6
7	illuminati and the illuminati used their teaching to start the illuminati, but there not Zionists in fact	7
8	most of their leaders are Gaelic. The Rothschild's are Zionist by birth but they quit believing in	8
9	Yahweh hundreds of years ago, and Wycore? had already left the Jewish church and been a Catholic	9
10	and a Satanist before the illuminati was formed and on and on. They try to make the Rothschild's	10
11	and the Rockefellers and everybody at one time a Jew and everybody has changed their names to	11
12	hide their a Jew and that all the Jews are the evil people and they lead the illuminati. Well I've got	12
13	news for them I've sat on the council of 13 that runs that organisation and my family has never been	13
14	a Jew there all from Scotland. So something's wrong with the translation somewhere and I cannot	14
15	believe that a member of the council of 33 the second highest council within the illuminati can run	15
16	an organisation that exposes the illuminati. It just doesn't make sense... All I can say is that the 'Birch	16
17	Society' is like the Masons. Now I'm going to hit another group here you're not going to like it.	17
18	We've got some people here, but here me out before you all want to lynch me at one time. It's like	18
19	the charismatic's. And that's because the people the little people...Ok like the coal miners and like	19
20	the farmers strike and like the teamsters you've got the people in it below who do not know who its	20
21	leaders are. Now where I sat I had to hand money to people...And people wonder why are you mad	21
22	at these people? These people are good men of God why are you mad at these people why are you	22
23	mad at them? How would you feel if you had to take millions of dollars in cheques and currency and	23
24	dispose it to these people to these people to do things for the illuminati? Would you respect them as	24
25	Christians?...That's the idea too much money went into the Birch Society from the illuminati for me	25
26	to believe that's it's an instrument against the illuminati. I saw 35 million dollars in two years go into	26
27	the charismatic movement to build the four biggest churches in the United States that lead it plus	27
28	the Full Gospel Businessmen. I saw 40 million dollars given to demon securion? one night. I can't	28
29	accept it ...Someone interrupts talking about the Birch Society...Let me catch up a minute I wasn't	29
30	going to give it but let me go ahead and give it. Some of its biggest people like the man you	30
31	mentioned and Gary Allen have both stood up and just literally ripped by name the Baptist	31
32	fundamental church apart and have you ever seen the blue book of the Birch Society? No Christian	32
33	can read that book and say 'That book is a Christian book', and I've heard them stand up and say	33
34	'Their fools in the fundamental church'. No I can not in any way...So let's pass over that one. I hit	34
35	that and I also hit a dozen other things at once. I'm going to get lynched by three groups before I get	35
36	out of here...The pastor interrupts asking people to limit one question per person. Q asked 'What's	36
37	a Charismatic?' A Charismatic...Let's put it this way. A charismatic movement to the outside people	37
38	is the movement that declares the speaking of tongues. That's separate from the Pentecostal	38
39	denominations and churches. Most people do not realise that the Pentecostal churches are not part	39
40	of the Charismatic Movement, in fact many of them oppose it. The Charismatic Movement in reality	40
41	was one of three steps, declared back in 1964 to do two things, while the main function was to	41
42	destroy the Fundamental Church of any type. The masons were one and the Charismatic Church was	42
43	another and then the political monuvers was the third. Most people get caught up in the Charismatic	43
44	Movement and they don't stand back and watch it. It has two distinct signs wherever it goes. If it	44
45	isn't a fundamental church it splits it every time. I've never seen any Fundamental Evangelical	45

46	stay the same after they came there. And the other thing it does is it unites all the liberal churches. It	46
47	has brought the Catholics the Lutherans and the Mormons (even the Mormons), the Methodist the	47
48	Presperitarians, everybody together. Now I'm going to make some quotations here you see I'm not a	48
49	charismatic I'll admit it, but I'm not a baptist either, so don't say I'm saying it because I'm a Baptist.	49
50	I'm against it. I'm against it for one reason. I was on the council of 13 and had to pay too many	50
51	millions of dollars out to that organisation to accept that it be of God and its leaders, since I know	51
52	most of its leaders by first name basis. They used the charismatic movement to establish Jesus	52
53	Rock*. I had to deliver a four million dollar check, that was the second four million dollar check to	53
54	Chuck Smith (who) had created Calvary Chapel 'Maranatha Productions' received from the illuminati	54
55	and he knew it was illuminati money before you go out of here and say that he didn't. The purpose	55
56	of it was to build Maranatha Industries and Productions which started Jesus rock, back when the	56
57	Christian church was preaching against rock music not knowing why but preaching against it just the	57
58	same and throwing it out the churches. That scared the illuminati and the occult world to death. At	58
59	that time they almost thought there end had come because if that really happened within the	59
60	Christian church the Christian church would have the biggest mass revival of souls within the United	60
61	States that this world has ever seen. That's the purpose for rock music to make sure that that never	61
62	takes place. Now let me finish all this because its long before your hands come rushing up. When	62
63	that took place they got scared, so they got smart they thought...and they built Jesus rock and you	63
64	can take some of the top Jesus rock songs and you can play the same rock songs over here and the	64
65	and it's the very same tune with new words stuck in it. Now I want to give you a key that witches	65
66	know about. The sign of the devils music...They say of lucifer's music, is not the words it's the music	66
67	the power is in the music. The sign of Christian music is not the music, it's the words. That's why one	67
68	song written by a group will catch on and will bless Christian's hearts and others won't. Have you	68
69	ever wondered why the gakers were the number one group in the Unites States? It's not because	69
70	they sing great, it's because of the songs they write and the power in those songs. Now I know from	70
71	being in the occult world, the power in music and I'm saying all this because I was the leader of	71
72	zodiac...(Jonnie interrupts to reassure the person he's still going to answer the person	72
73	question)...The thing about rock music was I was the leader of Zodiac Productions which is the	73
74	conglomerate that owns almost all of the rock booking agencies and concerts in the United States	74
75	almost 95% of the groups you here in concert belong to contract to Zodiac Productions. Most of the	75
76	friends that I have that are still in the world are friends that I met in the rock industry are people	76
77	who's albums you buy today ...The illuminati doest produce rock music to entertain you, they don't	77
78	produce rock music to make money, they don't need that money they own anything anyway. They	78
79	do it to put demonic influence in your life* Music is a spell and every witch knows it. That's why	79
80	when somebody is saved out of the occult and they say 'Pastor what do I do, the pastor will go 'Well	80
81	burn everything that has to do with the occult', that's all the pastor says and they bring in their rock	81
82	records. Nobody has to tell them to do it, they were in witchcraft they know what rock music	82
83	is...Now kids I'm going to get you with this. Parents don't pray that you children throw out the rock	83
84	music it doesn't belong to them it belongs to you. You are the head of the house and although you	84
85	think it belongs to them, according to God's word everything in that house is yours, and you are the	85
86	one who will face Jesus and say why you had it. The problem with Christians, particularly in a Baptist	86
87	church is they don't realise that there two judgements coming. One for the lost and one for the	87
88	saved. You will have to give account at the judgment seat of Christ for the things you didn't do and	88
89	did do. You get it coming and going. So if you think that you think that you are keeping your kids	89
90	from being rebellious by having the rock music in the home. Have I got a surprise for you they would	90

91	be rebellious if you'd burn the stuff. So go home tonight and get rid of it? As I told the congregation	91
92	last night you can go home and count how many demons are in your home or at least the minimum	92
93	number by how many rock albums and 45's your kids have. Now we started out with the	93
94	charismatic's, somehow...Probably the strongest person in the charismatic movement is the man	94
95	who lead the charismatic conference in Kansas city. Now charismatic's, I'm not picking on you as	95
96	individuals I'm picking on your leaders and the movement itself. Just like I'm not picking on the	96
97	Masons. I'm picking on the leaders of the masons. Now it's funny, I can come in here and I can tear	97
98	down Billy Graeme and nobody will lynch me, somebody may think I'm crazy but I'm they'll let me	98
99	alone, but if I get in a charismatic church and I touch one of their people up here, there are ready to	99
100	crucify me without a moment's notice. Now I'm going to tell you this. The man who led that	100
101	conference was a Catholic Cardinal. When they elected Pope Paul he lost by two votes and I don't	101
102	know whether you know this but Pope Pauls in critical condition. There already taking about a new	102
103	Pope and there proclaiming him by a landslide. The leader of the Catholic Charismatic Movement	103
104	and by the way the leader of most of the Charismatic Movements. He said five years ago at the	104
105	Notredame conference. It's a matter of public record they like to keep it from you. That give him ten	105
106	years and he'll have all of the churches as one because of the charismatic movement. That's why the	106
107	uniting of the liberals under the destruction of the fundamental. (You'll never get the fundamental	107
108	churches to unite as one they can't stop arguing long enough to do it.) Which I praise the Lord for	108
109	keep us on our toes, but they are getting the liberals now most of you probably at in this meeting	109
110	will unless Jesus wasn't your saviour, but I have talked to thousands of leaders in the charismatic	110
111	movement who say that it is not necessary to repent of your sins and be born again. Demos	111
112	Securian... This is what demos believes head of the Full Gospel Businessmen. He does not believe	112
113	that you need to repent. He does not believe in rapture and he does not believe in a tribulation. He	113
114	believes that a one world government is coming which Christians will lead. He has said over and over	114
115	if you receive the Holy Spirit and speak in tongues and you belong to a church that is not preaching	115
116	the word of God, don't leave it stay there, don't leave it. Now I believe that the word of God says	116
117	'Come out form amongst them and be separate' and I also believe that the same as when a prophet	117
118	prophesies wrong one time you mark him and leave him along if a man preaches false doctrine you	118
119	leave him alone. Of course you can leave me alone if you think I'm wrong about the charismatic's	119
120	that's doesn't bother me a bit. My job is to tell you what's happening and I'm going to tell you	120
121	whether you like it or not...You were praising the Lord when I was telling the masons...keep on	121
122	praising when I'm telling you. The second most powerful man or the third most powerful man in the	122
123	charismatic movement is Ralf Wilkerson. Ralf Wilkerson is the head. He's really the person who tells	123
124	all the charismatic leaders ...He's actually the number one but he's suppose to be ranked third. He is	124
125	the man who must appear before the council of 13 to take back the orders to all the rest of the	125
126	leaders in the Charismatic Movement. He is the pastor of a multimillion dollar church called Melvin	126
127	land? One of the largest independent Charismatic Bible Schools and Universities in the country. They	127
128	gave that man so much, everything that is there's the illuminati bought and built for him and him	128
129	knowing it the whole time. The reason that he preaches that witches can't be saved, that they can	129
130	never be saved is he's so scared some of us might blab on him, and your right I'm doing it too. Now if	130
131	you think that everything else I say, (is true) then why would I lie about this? I have nothing to gain. I	131
132	go into charismatic churches and say the same thing...and do you think that its ruff here you ought	132
133	to be there. My job when I got saved... I told the Lord that everything that I knew I was going to let	133
134	the world know and man I'm going to let them know whether you like it or not. Now I told you the	134
135	thing about it and I can go on with more churches and more churches the point is your going to have	135

136	thing. People are preaching a last day revival in the Unites States the only last day revival where	136
137	going to get in the Unites States in the devils. You may not like it but the Unites States is just like	137
138	Jeremiah. I mean the United States is just like Jerusalem in Jeremiah day they were all waiting for	138
139	God to save themwhen the prophet was telling them that God was going to let them be destroyed	139
140	because of their sinful ways and one of the things that went off under every tree and committed	140
141	whoredom with every belief there was and worshiped all the pagan gods there was.That's America	141
142	The biggest fastest growing religion in The United States is the occult and that's a fact. Were not	142
143	having a Christian revival .It really tickles me how were supposed to have two thirds of the	143
144	population as born again Christians. I understood that almost 75% of the United States were into	144
145	witchcraft and the occult, something's wrong somewhere ..People something's is terrible wrong.	145
146	When we have a country that is so sold out for the devil and its way of life and we have at the same	146
147	time such suppose mass revival of a Christian belief, something stinks somewhere. Now you're going	147
148	to have to pray about it yourselves. But I'm telling you for a fact you better question what your into	148
149	and the little groups? And I don't know the charismatic's might know here. You see I get all the	149
150	charismatic books and read them and all of their teaching and I know what's taught by this leader or	150
151	that. Its funny they say something some place then something different someplace else and so on	151
152	and I don't know if they ever know what they are saying. And they are really recommending that you	152
153	out go to church. Most of them are teaching Bob Monker and Basshm? And others preaching stop	153
154	going to church to go home and hold your own individual pray meetings, in your house and don't go	154
155	to church anymore. I'm sorry that's not the word of God. They'll be a day when you're not able to go	155
156	to church, but while you can do it..Thatday has not come yet and your home won't be safe when it	156
157	come either..Q Some lady asks about a card and a symbol on it (referring to 666). Wooh Wooh	157
158	Wooh. Lets back up a minute here. The bible says that if you take it your lost. Lady asks so this is the	158
159	mark if your waiting for a tattoo. I've heard some Christians say. I'll take the card till the tattoo	159
160	comes. Lets go back to this tattoo for a minute. Its says that an angel of the Lord is going to come	160
161	down and seal Gods people, in the forehead and hand. Now does that mean where going to walk	161
162	round with a tattoo? If its spiritual there its spiritualwhen your sealed in the forehead and hand with	162
163	the mark of the Beast. Now I'm going to tell you something the forehead means the mind and the	163
164	hand means the works. It always has in Bible Prophecy and it always will. There's something strange	164
165	We'll go over to Ezekiel well go over to Isaiah, well go over to all the other prophets and well read	165
166	their prophecy and Daniel and well say 'Owe Praise the Lord that's that means this and that means	166
167	that and so on, we know that the dry bones meant something and the wheel within the middle of	167
168	the wheel meant something and the statue with the ten toes meant something but well go over to	168
169	revelations and well say 'Oh of course the Anti Christ is not going to be a Dragon with 7 heads and 10	169
170	horns and so on and so forth we don't really believe he's going to be that and well call that spiritual	170
171	but well go over here and call something else physical. What makes revelations difference from the	171
172	rest of the prophesy books? I thought it was the same God given the prophesy you can't do it that	172
173	way, no when this card comes and you take it you made your stay? As for me and my family were	173
174	going to serve the Lord.. and you can't do both.So you're going to have to go home and ask yourself	174
175	what you are going to do when you can't go to the grocery store.Q:Asked, about illuminati bases	175
176	where?it's not established. They don't put a sign and say he we are. No the witchcraft own post is	176
177	under cover totally, but it not so under cover that most people on the base don't know it exists.Q:	177
178	Whether Jimmy Carter is the AntiChrist, the one named...? He is Adam... he is Adam. Q:	178
179	About false teachings. Maryland teaches that witches can never be saved or anybody that ever	179
180	practiced in the occult. We had a lot of lost people the other night? Because a lot of people read	180

181	of lost people the other night? Because a lot of people read their astrology charts. Ralf Wilkerson is	181
182	teaching that there is no rapture, that the church will either go through the tribulation or they will	182
183	be no tribulation he hasn't quite made up his mind yet...I want to think about these because I want	183
184	to make sure I word them the way he worded them. The Old Testament is not the ordained word of	184
185	God that lucifer inspired it, and that the Ten Commandments were not written by God, but delivered	185
186	it to Moses, and that Moses was fooled and the devil delivered them. I'd say that's quite a few rights	186
187	there. Now these are things that he has said and being taught at his bible college's Q: Asked	187
188	something about an ungodly symbol being shown. Were not under law were under grace, the first to	188
189	admit it. Pauls talking about grace versus law and so on now I would never place myself under law	189
190	because one thing I learned in witchcraft was that all of the devils power was the law, and that he	190
191	was defeated by grace. But he's our accuser. People get very hostile towards me when I say that	191
192	according to a Christians life their not immune from a witch casting a spell on them or demonic	192
193	influence in their lives. Just because there a Christian, that's not a cure all. I sum it all up but most	193
194	people don't understand what I mean when I say it but they are Christians that have accepted Jesus	194
195	as saviour and there are Christians that have accepted him as Lord, oh by the way I want to add it	195
196	just struck my mind Ralf Wilkerson also teaches that satan and Jesus have been united. Now the	196
197	thing here about the symbols is it's like the Word of God, and I think everybody will accept it here	197
198	unless you went to Maryland, that the word of God was inspired by the Holy Spirit through men.	198
199	That it wasn't created by man. Man didn't sit down and make it up. Any person with any intelligence	199
200	can know that it couldn't have been put together the way its been put together with mans	200
201	intelligence. You couldn't do it on a computer. Next this was drawn by the devils instruction. This	201
202	isn't meat that was sacrificed to idols that came out of a thing This was something that the devil said	202
203	'do'. This has power, most people don't even realise how much power should have been a witch	203
204	then you know how much power. This has power too it because of the words that are in it and the	204
205	power of those words, it has power. Now we have found it very extensively. That's why some of the	205
206	other translations are so bad because they have stripped the power out of it. Now this jewellery is	206
207	inspired by the devil and all I can tell you is what I have seen and that is, that I have seen two things.	207
208	That at a council meeting of the 13 it was decided that above all more powerful than rock music	208
209	more powerful than Christians owning books and Astrology Charts and Ouija boards was to place	209
210	them this in their hand. All I can tell you that demons follow this they're not going to follow a slice of	210
211	pork sacrificed to an idol but they're going to follow the idol SOMEONE INTERRUPTS HIM AGAIN...I'm	211
212	getting too it I'm trying to lay the ground work you can't just jump into it now let's take the two	212
213	Christians. A person totally serving Jesus Christ as lord is not going to have them in his life any way	213
214	and that where it was. A Christian that's living...That's assuming he knows...(Jonnie answer the man	214
215	who interjects again)...whether they do or not I think that Jesus stops being the Lord of your life	215
216	when you know this and keep it. I mean you're not going to set up in your house an altar just	216
217	because it saved you going to a Pagan temple with a statue of satan. So you're not going to set this	217
218	up when you know you're going to get rid of it that's the idea. If it was harmless to Lordship	218
219	Christians I'd shut my mouth and let it go keep the heat off my back everything I say in here is	219
220	controversial one way or the other you know I could be a good minister I could be a another Billy	220
221	Graeme if I watched what I said. I just can't allow myself to do it...It's not jewellery (someone had	221
222	interjected again) the trick is jewellery. It's not the symbol it's when its cast in jewellery that it holds	222
223	it power. Q: asked something about banking and finance...Well they belong to the same	223
224	bank...Credential... Chase Manhattan owns Credential. Actually Lords of London owns most of the	224
225	insurance companies in the Unites States and Lords of London owns chase Manhattan Chase	225

226	Manhattan is owned by Seers, which is owned by Federal Department Stores. When you study	226
227	conglomerates you'll find there are four conglomerates in the world and everything's owned by	227
228	them. It doesn't matter who they say owns them; it's who really owns who owns them. I think we'll	228
229	get the message (Jonnie requests that people wait for questions to be fully answered) someone now	229
230	asks a question about 'Eternal Security' concerning the receiving of the Mark of the Beast. I believe	230
231	in eternal security. I believe in everything I believe in for reasons that I see I came to believe in	231
232	eternal security in a very real manner because I believe in demon possession and demons in	232
233	Christians lives and I've seen hundreds and actually thousands that have been Christians original go	233
234	into witchcraft and no matter what they did they couldn't be possessed that convinced me right on	234
235	the line. It may not mean anything to you but it did to me oh I believe in eternal security but I have	235
236	question for you what happens if a Christian blasphemes the Holy Ghost? ...A man answers 'Is the	236
237	person lost after he's saved if he received that sign?' That's a good question. I believe in eternal	237
238	security but I believe that if you knowingly blaspheme the Holy Spirit your lost. I believe that what	238
239	the Bible says too...The man mentions something like 'That was back in Jesus time'. 'Blaspheming	239
240	the Holy Ghost can come in many ways. When you sit there and you take a sign that the Bible has	240
241	said, and remember where not talking about the lost who might take it ignorantly, where talking	241
242	about the Christians who knows all the way through the word of God that if taken , that is reiected	242
243	God. And reiecting God is reiecting the Holy Spirit when you reiect him knowingly. Man interiects	243
244	again. 'If the person has received Christ and eternal life'... I answered you. The man interrupts again	244
245	inaudible..Back to Jonnie. Your quoting one scripture and I'm quoting the other. It's something	245
246	you've got to decide the scripture says if you blaspheme the Holy Ghost you are lost...Back to the	246
247	man. 'If a person is forgiven he is already saved and the blood of Christ has cleansed him from all	247
248	sins. He is forgiven so it's obvious Christians can't be lost if your saved'. Jonnie. Let me ask you a	248
249	question? Do you believe a Christian can sin?. Back to the man. 'Yeah but he's had his sins paid for	249
250	on the cross'. Sure if he can sin he may not be lost but does he have to ask for forgiveness for the sin	250
251	that's he's committed after he was saved? The man. 'All sins are forgiven.' (Back to Jonnie) If you sin	251
252	after you've had your sins washed away do you have to repent of the sin you've committed? The	252
253	man. 'All my sins...' I asked you a question do you have to repent of that sin?'...The last part here is	253
254	inaudible. 'Not if' Jonnie concludes. Thank you that's all I wanted to know that's not the word of	254
255	God. Q: Something inaudible about a 'Moonie Movement.' It's a Moonie movement connected with	255
256	the illuminati the Moonies the Christeners and the Way were all created for one purpose and that	256
257	was to pass the Genocide Act* because when the Genocide Act was first tried to pass the Christians	257
258	fought it. This time it's being passed because the Southern Baptist Church and BJ? And other places	258
259	are backing it to stop the Moonies and I don't know if they realise what it really means. It means the	259
260	same thing can be done to a Christian. Q asked about Spiritualism. Alright how much do you know	260
261	about this book? The lady says 'not a lot'. Ok I believe you, I'm not making fun of you I'm going to	261
262	use it to answer this question...She says something else Back to Jonnie. No, no, hold it. Let me say	262
263	something here. Because somebody says they believe in God 'big deal' the devils do too. They know	263
264	that Jesus Christ is the Son of God in the bible through and through particularly (in) Deuteronomy 18	264
265	it forbids Spiritualism the consulting of 'Familiar Spirits' and demons, consulting of mediums. And it	265
266	say these people 'Shall Depart in a Lake of Fire' and before the blood coven at it was punishable by	266
267	stoning and death. In fact the only time I ever know 'the boy with the witch spirit?? That the only	267
268	real person that ever communicated was when Samuel came back and talked to Saul and the witch	268
269	was so surprised that the real Samuel showed up that she ran out of the place. No the Spiritualist	269
270	Church is called the Christian Church of America they believe in God but their teaching is not the	270

271	word of God. They don't believe in heaven they don't believe in hell, they believe in 'reincarnation'*	271
272	they don't believe in the devil, they don't believe in demons. They don't believe in salvation and	272
273	repentance, born again, nothing. No some time back oh about 70-80 years ago. I guess maybe even	273
274	longer yeah it was it was before the turn of the century. They decided, the illuminati decided that	274
275	not everybody would ever worship witchcraft. So they pulled four of the major beliefs out of	275
276	witchcraft, Spiritualism (which created psychic healing) and many other supposable signed gifts and	276
277	so on. They are counterfeits. They created Astrology separate. That's when astrology started picking	277
278	up. They created 'Yoga' or 'TNT? 'Transcendental Meditation'* which was 'Astral Projection'* and	278
279	they created physic powers of ESP* and so on ...Controlling somebody which your mind. They call	279
280	that 'Parapsychology' or 'Telekinesis'* and so on which is the same thing as casting a spell. So by this	280
281	way by given it scientific names they... Evidentially the professors at the parapsychology at Duke	281
282	University never read Acts 16, where it said that a person with this power had demons and when the	282
283	demon was cast out they lost that power. That would blow their Philosophies out the window but no	283
284	it's definitely of the devil. Q: Someone asks a question about a movement? It's appearing just like	284
285	that. In fact in Jerusalem almost all of the licence plates begin with 666. It is on the card. I've seen a	285
286	copy of it. That why I said a while ago...It's so funny that a suppose to be born again Christians said I	286
287	designed the card and put that on it, (referring to Jimmy Carters attempts to make a National	287
288	Security Card). Q: asked something again about charismatic leaders or churches. Have you ever	288
289	noticed the bigger you get the less fundamental you get? Now there's an exception to that. In the	289
290	occult I didn't have any hero's. No my heroes are hero's that were enemies to us when I was in the	290
291	occult. The most feared man in the world is a Baptist fundamental preacher by the name of Jack	291
292	Howe. He is the most feared person. In fact there was barely a month went by when that man's	292
293	name didn't come up in some way. Someone asks why?...By several doctrines he preaches on.	293
294	Arming Christians for one, and on preparing for end times that Christians will see trouble before the	294
295	rapture. That there was a requirement of 'Christian Retreats'. The separation of Christians from the	295
296	world. That really scares the illuminate. The Christian when he really starts becoming separated from	296
297	the world, when a man teaches Lordship of Christ. That causes that, and their scared of that because	297
298	that is an enemy they can't reach. Who is sold out, that's the main reason. Also he teaches on the	298
299	illuminati and other things and he teaches you the way it really exists not the way somebody in	299
300	Wycombe Georgia says. Q: Somebody asked about the man who helped convert him. I never met	300
301	him after that night, I never met him after that Someone interjects and asks him what the question	301
302	was. Oh in my testimony I was talking about the Baptist minister who prayed and fasted and ordered	302
303	the demons to be silent and now have any activity in my life until I was saved. All I know was his	303
304	name was Smith. I don't even know his first name he Pastored a little Southern Baptist church over	304
305	by the Air Force Base. That's all I know. Q: asked 'When were you saved and exactly what does that	305
306	mean'. I was born again which is what I believe. It is completely a new person. Let me explain what	306
307	'born again' is first. Born again is two things. One is the complete change of your life. If you are not a	307
308	changed creature you are not born again and the only way to be a changed creature is through	308
309	repentance. That's it. That doesn't mean that you are perfect and that you will not sin and that you	309
310	will not need continually forgiveness. It is unscriptural for anyone to believe otherwise. Second the	310
311	fruit of the Spirit will be present in your life, if you are a lordship Christian. Now see these Christians	311
312	that know him just as Saviour... I won't deny their salvation. I may frown upon it a little. I can't	312
313	believe that a person can be a born again Christian and not sell out for Jesus. But it seems to be done	313
314	a lot. But I do know where he is Lord of your life the fruit of the Spirit will be. Now that happened to	314
315	me on Ma yfirst ...Labour Da 1972 in San Antonio. Now all m roblems weren't solved that night	315

(but) I was born again and I was changed. TAPE END.
