

JOHN TODD: TAPE FOUR. A Page.ONE

1	They believe this country is no specialier than any other, it's going to fall, and when it does fall, until	1
2	Jesus comes they (born again Christians) want to survive. Q: The question is. How do we as	2
3	Christians prepare for our coming days in regard to our necessity's, food supply, fuel etc. Well I can't	3
4	go back over and lay the ground work for all of you who weren't here last night, so I'm going to have	4
5	to go ahead and answer the question and if I confuse you I'm sorry. If you have a pencil and paper	5
6	I'm going to give you some information. It will probably save your life. A man named Mall Ippon*	6
7	writes for a magazine called 'Guns' and 'Ammo', in Dec 1976, he started a column called 'Survive'. I	7
8	follow it very closely. In fact I really invite that everybody write to him. That you can go out and buy	8
9	'Guns and Ammo Magazine', the address is Peterson Publishers and write (they write to them in Los	9
10	Angeles) and consult them and ask them how to obtain back issues of 'Guns and Ammo' from 1976.	10
11	Just for that two to three page article. It's like a whole college course in one, on how to live through	11
12	those days, and recently a few months back he had a question (and) answer thing. I'm glad I'm not	12
13	the only one who has those and one guy (I think he put the letter in there just to bless my heart.)	13
14	This guy wrote in and said, 'You must be nuts, you got to be the only nut in the world that would say	14
15	that America is going to have any problems the government can't handle. (Jonnie then mentions his	15
16	friend as an example referring to him)...What you mean any problems they can't handle? They're the	16
17	ones who are going to cause them, but he didn't say that publically...No there's quite a few others	17
18	who are saying (things) that just as nuts as I am. That's true in my case there are quite a few of us	18
19	out there, you'd be surprised at the names of the people. That's why they all carry a gun. Because	19
20	people are trying to kill them. Now I believe this. Now I'm not going to back up what I do here	20
21	tonight. It would be a really strange thing for many a liberal Christian, many people here tonight	21
22	brought up in peaceful homes and so on to hear things that I'm about to say, and supply them. I'm	22
23	not going to give you the reasons for them but I'm going to say that everyone one has been	23
24	researched and prayed over extensively by many ministers. If you want any more information write	24
25	to P.O.Box 303 Alston Maryland? To Doctor Tom Berry.... He used to be pastor (at) that church that	25
26	Pastor Lillie pastors now and Avon? And he pastors a Baptist church in Elsten Maryland? Now he can	26
27	give you a postal list but I'd give you a quick one. When you start stocking up supplies don't be like a	27
28	lot of Christian retreats that are going to be stocked up on supplies for looters so they can come in	28
29	and kill you so they can eat*. Start with the first thing, start with something that will stop somebody	29
30	coming via your door and killing everybody in your family, and I've (some) say can a Christian do	30
31	that? Killing and defending are two different things, go read chapter 8. Not only and I'm counting to	31
32	get through this hard time through this scripture, not only were (Christians) they allowed to defend	32
33	themselves, but to pick up supplies that (from) the people they had defended themselves from,	33
34	were going to use against them. They always did that and (will) continue to do (so), there's no other	34
35	way. We were talking about this in the back room before the service. I'm going to give you a couple	35
36	of items now if you don't like it, (talking about the meeting content) I'm just going to spend 60	36
37	seconds on it. Try stay within the list that all the Christian retreats are publishing, mainly because the	37
38	people that will be trying to kill everyone will be using the same guns and you'll be able to use their	38
39	ammunition and parts for yours. First of all no.1 weapon in anybody's home should be a 12 gauge	39
40	pump (action) shot gun. I prefer that you choose the Remington 870. Now the rest of you people	40
41	just have a seat and take it easy for a minute..The next weapon should be a Colt AR 15 Assault rifle	41
42	..The next should be, now it depends upon whether you choose semi automatic hand guns or a	42
43	revolver..(someone puts there hand up to ask a question, Jonnie has some banter with them and	43
44	says "Just a minute well get to your question, some people want to survive, I want to see them see	44
45	the Lord come in the air.."). Now if you choose a hand gun, choose only these two, and if you have a	45

13/07/2012 13:16

46	gun and it's not on this list, sell it and buy something else. I mean that there's a reason for	46
47	everything. If you like an automatic, by a 45, (colt only) and if you like a revolver, buy any type of	47
48	revolver other than a Smith and Western other than the 3.57 calibre only no. 38 or 9m no 44	48
49	Magnums 3.57* only and not a Smith and Western. Do not buy Smith and Western do not buy	49
50	Winchesters. The reason the illuminati has decided if they can't get your guns, they'll make them so	50
51	bad they'll blow up in your face. They recently bought out Smith and Western and Winchester, and	51
52	been putting out very poor guns. This is the idea so do not buy them. If you own material from them	52
53	(up until 1964) its fine, but after 1964 the illuminati owns both companies. After that for your honey	53
54	? Because all retreats will be living off the land, because you're not going to go down to Liberals or	54
55	Safeway's or any place else because they aren't going to be around anymore for you to buy it. You	55
56	need to stick to your 'Honey Guns? only and these 3 calibres only and that is 3006? Or 3030 or 308.	56
57	Ok now that's enough about guns, ..or you might want a 22 semi automatic rifle for small gauge	57
58	that's it. Now we'll get off the guns and well make all the other people happy in here. Next stock pile	58
59	food. If you're a farmer or if you've got a backyard that kids play in tear the thing down , tear the	59
60	grass up and start planting vegetables, go down to the store and start buying cangy? Jars. People	60
61	who live through World War II knew all about fig tree gardens. Well call these Jesus gardens,... and	61
62	start buying food, food, food. Now people I'll show you the importance. Go home, wives tonight, you	62
63	pastors, men whatever and if it's the men who do the shopping they can do it and go home and	63
64	open the freezer, the refrigerator and every food cabinet in the house and get all the food and sit	64
65	down with a pencil and paper and note key items. If you put in one meal don't put in another you	65
66	can only eat it once. Make up three meals a day, down to the letter, not make belief meals but meals	66
67	that your family can function on three times a day and find out, if you can... go to the grocery store	67
68	tomorrow, how much food you've got to live on, then you'll see the reason. In the blizzard alone	68
69	people were starving in their homes because they couldn't get out. For no other reason what	69
70	happens when you cannot get out for every reason? Canned food is in practical, one thing do not	70
71	store any tomatoe product in metal cans. The leading cause of disease in the Unites States is lead	71
72	poisoning any tomatoe product within a can for more than three months contains lead poisoning in	72
73	it, but I recommend that you consider buying dehydrated food. Tom Berry will give you the address	73
74	for the only Christian company for this, and the reason we are using Christians companies is not	74
75	because there are Christians but because they are the only ones who buy good food all the other	75
76	places buy food that people throw out, and that canned stuff and they freeze dry it because you	76
77	can't tell what it looks like, when it's all shrivelled up . You don't know that the meat is spoilt (you)	77
78	may have in the palm of your hand a six course meal. Seriously stock pile your food, food that won't	78
79	spoil food, that you can keep. Start stock piling. Women when you go to the grocery store and when	79
80	you're buying things go and buy an extra box of salt. Really throw in an extra can of soup and so	80
81	on...Start buying like the farmers buy, in bulk. Buy and buy in bulk. If you find a place that will sell	81
82	you them that's what you need to do, the church should do what Tom Berry and his church are	82
83	doing. They are buying food as a coop and storing the food away but I tell you this if you don't have	83
84	three months food supply for three meals a day, for every member of your family, meals that you	84
85	can live on, not just exist, you don't have any chance at all and we recommend, seriously six months	85
86	to a year and there's reasons for it. If you weren't here last night you may reject it, fine it's you that's	86
87	going to be skin and bones not me. Fuel forget it there's nowhere to store it anyway. All you need	87
88	medical supplies you need food, you need weapons to hunt and defend. If you can't do, you can't do	88
89	that job with the same gun you can't defend yourself with a honey rifle. It's impossible, not against	89
90	the way it's going to be with the weapons there going to be using against you. But I'll tell you this,	90

91	you can survive in your home for a little bit, but unless you a member of a Christian retreat or get to	91
92	one you'll never make it, not unless the Lord comes, and I don't believe he will, (yet) now where	92
93	talking about the tribulation all the days leading up to it. We're not going to have a tribulation as bad	93
94	as its going to be unless you have some trouble first, besides every country in the world has it except	94
95	America and I don't see Americas Christian life being better than any other communist country. I'll	95
96	make everybody happy, well stop on this for a while if you want, you can follow up on all these	96
97	things and you'll learn all you need.Q Asked. Is Pope Paul and the Catholic Church involved in the	97
98	illuminati? I'm a catholic, (somebody must have stated). Why did you ask me a question that you're	98
99	not going to like the answer too? Yes he is as one person said it; I've got to keep his name quite so	99
100	that he can stay alive. He was a very big catholic and he goes "It's very frightening to think that the	100
101	Pope leads your church and he tells you he takes peoples orders from people in London and other	101
102	places in Brussels that are not even Catholics, that are into the occult and some things. About Pope	102
103	Paul. I don't think he'll live much longer. I'm expecting his replacement to be the Catholic Cardinal	103
104	that leads the charismatic movement, they've already proclaimed him to be the next Pope, and he	104
105	lost to Pope Paul by two votes. Anyway the thing here is that Pope Paul is the man that told the	105
106	Catholic Church that, (and if you haven't heard it; it's so anyway) that it was a right to practice White	106
107	Witchcraft, that it wasn't contrary to catholic doctrine. Oh I can agree with that it isn't contrary to	107
108	catholic doctrine...he's part of the illuminati. The whole Congress and Cardinals are. Another	108
109	Question is repeated by Jonnie. If you get to a retreat why won't you be found there and what can	109
110	folks do who don't have access to a retreat. Alright two months ago I could have said that so that	110
111	you couldn't have access to a retreat but that is not so any longer. If you want part of a retreat, you	111
112	can be part of a retreat, for one 'Freedom Ranch' will take anybody if it gets to be the size of New	112
113	York City. We'll just pray for the whole State to be a part of it, but all I can tell you is. How many	113
114	people here own a home? You have no excuse, that you're not part of a retreat. If you don't believe	114
115	in it fine, then you can just disregard my words, but if you believe in the necessity of being prepared	115
116	for the end times and it's real then here is, what you do tomorrow not sixty days from now. Put	116
117	your home up for sale. You may not like it but do it anyway. I did it almost everybody else has done	117
118	it. Put your home up for sale and you move into an apartment and you build yourself a home on a	118
119	retreat, period. The land is free almost, all retreat lands are free, and all you have to do is build a	119
120	home. Now the rest of you who don't. Most of the retreats have buildings where you can live, and	120
121	you can always get the saw out and the axe and I know that everyone of them is in pine country, a	121
122	place to habit (you can also build your own) like your ancestors did. They won't be comfortable	122
123	unlike you, (if you can think of comfort). I mean you won't be able to watch Starchy and Hutch, but	123
124	you'll have a lot of time to read the word. Q: Why won't you be found? You will be you will be found	124
125	the illuminati and the federal government themselves in the United States knows where every	125
126	retreat is, but you won't have to worry about the illuminati or the government trying to come and	126
127	get you. They'll be too busy fighting their own battles in the city but they will be looting. That's the	127
128	only reasons for retreats. The world will go mad before Jesus comes and you will not be able to	128
129	survive in the city at that time because the demons will direct the people and the looters to your	129
130	doorstep before any place else. So while you're standing there rebuking them expecting them to fall	130
131	over I'll be using a shot gun, because I want my family to live. While people are shaking their heads	131
132	that doesn't sound Christian, that's fine you haven't had anybody try shoot at you yet. You had not	132
133	had anybody shoot at you. I've got three kids and a wife, and I've had people try to shot gun them to	133
134	death blow them up machine gun them knife them poison them and everything else. I love my	134
135	family and I'm not going to let my family die. Now which is murder, letting somebody kill them or	135

136	defend them. So stop shaking your head at me I'll bow my head for you when I pray for you and they	136
137	put you under. See I talk bold about this because I had to live with it and its coming to your	137
138	doorstep. Everybody pats me on the back 'Oh brother Todd I feel so sorry for you... everybody	138
139	trying to kill you'. I said 'Don't feel sorry for me, I feel sorry for you. At least I'm prepared for what's	139
140	coming..Two main reasons why I'm alive, is that God keeps me alive through his warnings* and my	140
141	preparedness. They cannot do anything too you when you're prepared, but the idea of the retreats	141
142	are, they're all local. They're going to be defended and impregnable and believe it the more people	142
143	there the better it is. Ok let's get off this retreats now. Next Question Asked...Oh I don't know who	143
144	wrote this...but I love whoever it was. Larry flint* was a true convert by Ruth Cartel* Stapleton?	144
145	Don't you like that question I love it...If he was a true convert by Ruth Cartel? He sure was, but Ruth	145
146	was probably the most powerful witch I ever met. I used to study her. Q . What was the involvement	146
147	of the illuminati in the CRF, the Trilateral commission and the Rockafellas? The CFR is the name of	147
148	the illuminati in the United States. David Rockefeller is the second most powerful man in the	148
149	illuminate. He runs the Council of Foreign Relations and the Trilateral Commission is the United	149
150	States version of the European Common Market and people don't realise that American is a member	150
151	of the European Common Market through the Trilateral Council and that the Trilateral Commission is	151
152	the brain centre of the CFR. Our born again Christian president* is a member of it. Next question the	152
153	John Birch society has exposed the council of foreign relations the trilateral commission, the	153
154	illuminati and many parts of the conspiracy why do you have it listed as a hate group. Gary Allen	154
155	author of the book you mentioned is associated with the John Birch Society.That's not saying much	155
156	for the John Birch society since Gary Allen has said across the country that the problem with America	156
157	is the 'Fundamental Church'. I'm going to say this again I spent some time on it last night. Do you	157
158	think that a group that gives half truths is worse than a group that is totally different. It is a hate	158
159	group because it is Anti Semitic. Its platform is, and the American Nazi platform and the Clans	159
160	platform is almost identical and I have them listed together and part of the illuminati, and not by	160
161	guess work, because I used to have to hand cheques to the leaders of the Birch Society. The Birch	161
162	Society is just like the masons and many other groups the point is that the people that work within it	162
163	and so on know nothing of their leaders above, that's why I say over and over, 'have nothing to do	163
164	with a group that you don't know 100 percent about'. If a group tells me their good and they have	164
165	secrets I'd think, 'Why if your good?', you only need secrets if your bad. That's why I have men that	165
166	know what I do 24 hrs a day. They know everything about my ministry since I've been saved so when	166
167	accusations come up these people will go and do the defending for me. I will say this, they (the half	167
168	truth groups) say part but then they add, they mention truths, but then they make the head of the	168
169	illuminati the Rockefellers, and the Rockefellers are not the head of the illuminati. Second they make	169
170	it a Zionist conspiracy, it is not. I'm not a Jew not at all, they might be but I'm not and not one	170
171	member of my family or from the Grand Druid Council is a Jew and not one member of the Council	171
172	of the 33 is a Jew and only about eight people of the 500 Bilderbergers are Jews. They say the	172
173	Rothschild's are Jews. So what? They may have been Jews a long time ago but they are not Jews	173
174	now. They believe Lucifer is god. And Jews do not believe lucifer is god. They are the synagogue of	174
175	Satan*. There is a difference. It is not a Zionist conspiracy. Q *What do I think is wrong with Star	175
176	Wars? Not everything?? One is that everybody who signs a contract on Star Wars is an initiated	176
177	witch* and had to prove what brotherhood they belonged too, before they could star. Now this is	177
178	fact from talking with people who produced the show. Second the guy who plays Luke Sky walker*	178
179	on the show, some of you from having the television bug may realise that he stared in the.....??*	179
180	They had him to a contract and he wanted out of it, because it became a series and he said I want	180

181	out of it and they said 'No'. They said we are going to do a follow up of Star Wars which is Star trails*	181
182	which is so, and he said. "I want out of it. You'd better let me out of it if you know what's good for	182
183	you." They said 'No' and he said "Well I'll just finish the show. I'll cast a spell and kill one of the	183
184	leading stars, which he did. They let him out of the contract and he turned to the producer and said	184
185	'Your next'. The real reason for Star Wars is that five of the major doctrines of witchcraft are taught	185
186	all the way through the movie and that the statistics coming in now are over 1 million people have	186
187	joined witchcraft because of the movie. Now I talked with the man who hired all the publicity for the	187
188	movie he verified everything I'm saying. He also said that, well I said that 75 percent of the movie	188
189	was witchcraft he said "No only about 45 percent." I said "What about Star Trials"? he said "That's	189
190	95%" and I said "What about making everybody in witchcraft in it?" he said "Oh they are, everybody	190
191	has to be." "Well" I said "Who's going to be the new star", he said "Owe the guy you probably don't	191
192	know his name so I'll tell you who. He played (for all you women who like soap operas). He played	192
193	Snapper on Young and Wrestles.Now that's not unusual since the three major soap operas insist you	193
194	must be a witch before you star in them. 'Young and Wrestles' was the last to go. That's why they	194
195	was a big change on 'Young and Wrestles' staff recently the other two are (on) 'All my children???	195
196	And 'Secret Storm' so if you parents think that your kids get it all because of rock music (Jonnie then	196
197	starts laughing to himself and the audience with him.)Q Is Larry fling? A Witch? No he's a	197
198	charismatic. He says he talks in tongues regular with Peter and Paul and they come regular and have	198
199	dinner with him oh well ..(Another unheard question asked) Stapleton told him that's the way it's	199
200	supposed to be. (Jonnie reads a question))My engagement ring was a six pointed star (does) that	200
201	have spirits attached or was it (that)just silly? (It's) not silly, would you go and have your fiancée	201
202	exchange it for another one? I'll put it too you this way there was an extremely high women in the	202
203	Eastern Star in Atlanta Georgia last Sunday night and she brought the Eastern Star up and asked me	203
204	what the five points were and I told her gave her all the facts on it. The ring had about eight	204
205	diamonds on them and two of them were over a carrot. She took them home and threw them on	205
206	the fire. She got rid of the ring. Another Question asked. Where does faith and the promises of God	206
207	apply to the end? Let me tell you something. I talk a lot about the end times and I'm sorry people get	207
208	afraid when I talk about the end times, but if Jesus was Lord of every body's life there wouldn't be	208
209	any fear. I'm not afraid of the end times. You know the Christians that went to the thing went	209
210	rejoicing. You see back then you only had a sword and when they sent a Legion which is 100	210
211	(incorrect) soldiers after you, a sword is not going to stop a hundred with a sword. But today one	211
212	could stop a hundred with a rifle. This is something you're going to have to decide. If you dig	212
213	martyrism go on ahead, but the thing about the faith and the promises of God is that I have faith	213
214	that God is going to let me know when it is going to happen, and he is going to let me be prepared	214
215	for it now. You can imagine how many Christians, they were 20 million Christians (who) died in	215
216	communist countries when the communists took over in brutal ways, and they were warned, and	216
217	they listened to other ministers just like the people in Jerusalem when Jeremiah had tried to warn	217
218	Jerusalem when it was going to fall. Just like people listened to other people when Noah tried to	218
219	warn people that it was going to rain. Where going to have a lot of people just like in the days of	219
220	Noah who are going to be looking up like this and then when the rain starts hitting them on the head	220
221	they'll get the message when the bullets start coming through the door when you can't go to the	221
222	grocery store and your electricity is turned off and its 50 degrees outside and your freezing to death	222
223	you'll say 'I wonder if I can make it to the retreat?' Well you won't be able to then. All I can tell you is	223
224	that I believe firmly in the promises of God and therefore I believe I'm am going to see the end	224
225	times. I believe that I am going to come through it but if I came to your door and I said your house	225

226	was on fire and you said "My house is fire proof." And went back up and laid down you'd burn up.	226
227	It's not my fault. I'm trying to tell you the house is on fire. It's up to you whether you get out of it or	227
228	not. I firmly believe in the promises of God that's why I believe I am going to make it and I believe	228
229	god has given most of us ministers a little insight on the end times. You know I could be a very big	229
230	minister in this country. Have a lot of people back me that I don't want to back me. All I'd have to do	230
231	is close my mouth about three things. The Charismatic movement, the Masons and what's going to	231
232	happen to Christians in the last days. I can't do it. I can't let the two groups go untouched, and let	232
233	people in them not hear the truth. I can't in all honesty go up to my retreat close its door and sit	233
234	there eating food. The retreats aren't to stay and hide in they are to go and put your family in. You'll	234
235	go out and minister and have a safe place to go to. I don't plan on hiding in those days, I may have to	235
236	carry a bible and a gun (come to think of it I do that anyway). I plan on fully, to keep on ministering	236
237	and most of the retreats have printing presses in them. I can tell you this. I will survive, I will not sit	237
238	up in a retreat feeling guilty over anybody else out there. I'm going to make sure everyplace I'm at	238
239	they know,(about) Jonnie then reads another question something about whether Tolkiens books	239
240	were based on witchcraft.. Every book written by J.R.R Tolkien including the.....? Just finished by	240
241	Christopher and you'll find Christopher's name written on the hand out. (It was not written by him	241
242	until Tolkien wrote these, things used in witchcraft) They were secret to witchcraft and Tolkien was a	242
243	member, (along with another gentlemen I'm going to mention in a minute. Both were supposedly	243
244	confessed born again Christians), but both were members of the 'Golden Dawn.' The Rothschild's	244
245	private church in London. It's the oldest coven in the world and he gained permission from the	245
246	'Council' and he (asked the) Rothschild's personally to take things from the 'Book of Shadows', (the	246
247	witchcraft bible and print them in books). You may think that 'The Hobbit' and the books of the	247
248	trilogy like the 'Lord of the Rings' and some of them are fairy tales but they are the gospel to	248
249	witches. According to witches those things really did take place. If you've got them in your home,	249
250	and you wouldn't own a satanist bible (I'd pray for you if you did) why would you own part of a	250
251	witchcraft bible? Now you could (now don't do this) go to the occult store and you could pick up the	251
252	books that came out after the hobbit came out, there are the alphabet of witchcraft the runes* but	252
253	the hobbit released them first. They were secret on the penalty of death until then and nobody	253
254	could have written (about) them that had not been in witchcraft. Now there's Christian author	254
255	whose books are sold in every Christian book store that's why I don't like Christian bookstores who	255
256	claims that Tolkien won him to the Lord,(they forget to say which Lord) and his books are required	256
257	reading before you can join a coven,(they require studying)* his name is C.S Lewis*. You pray about	257
258	it, but they should god (on the fireplace right along), and I opened one of Lewis' books (reading) 'The	258
259	pathway to god is like a hall with many doors they all lead to god.' Not on your life Jesus says unless	259
260	anyone comes through him they are a thief and a robber*. Another question asked. Should a	260
261	christian of any capacity prepare for the end times. I already told you yeah. If you don't you're the	261
262	one who's going to have to look at your wife or your kids say I'm sorry I can't stop them from coming	262
263	in the house.Q: What should fundamental Christains do in light of what weve learned? Pray a lot.	263
264	Read a lot of the word of God. Win as many souls as you can before you go, before you're going to	264
265	go to jail for it and prepare for the end times*. Q Who is the son of satan and what is his name? Well	265
266	you've got to...(you said son of satan) they say son of lucifer. They call him Adam and the person	266
267	that has a history as a witch has a beer drinking brother and who says he's born again and only has	267
268	the fruit of the devil. I think that will suffice (lol). See I'm not like a bunch of Christians that I had to	268
269	put up with for four years telling me that somebody Henry Kissenger was going to be the Anti Christ.	269
270	I say the things I say because I saw his name in a letter written by Philip Rothschild and everything	270

271	Uthe illuminati is going to do over the next eight years. (And) it gave his name and listed him as	271
272	Adam the son of lucifer to bring peace to this world, so they'll back him totally. You know the	272
273	'peanut farmer.' I'm going to try change this question round a little (something about John Kennedy)	273
274	John Kennedy was killed because he became a Christian*. We talked about it last night. You want to	274
275	know about it? Contact this pastor he'll give you a tape of it. Mr Todd what do you look for in the	275
276	eyes of Witches? I could line five people up in witchcraft and the occult and line five people up who	276
277	aren't in it and you'd understand what I mean. But I'll give you some people's eyes to look at. With	277
278	carn Stapleton? Jimmy Carter, Sydney Williams, Carole King, Kate Jackson, Senator Majors? Hay	278
279	Danaway? Everybody on the three soap operas I named. After a while you'll get the idea. Is there a	279
280	government within the government within the United States? What is it called? Yes. Illuminati. Is	280
281	there one earthly leader of the illuminati and who is he? Phillip Rothschild. Q: Are the christians to	281
282	take the mark 666 (by card), on the hand or the forehead? A: As I said last night you're not going to	282
283	believe an angel is going to come down and tap you on the hand and the forehead because it says	283
284	Gods people are going to be sealed that way? I firmly believe as many people know about bible	284
285	prophesy forehead is your mind and your hand is the works and man you're going to take it there, if	285
286	you're not with the Lord when he comes? Besides the card is the way they were planning on passing	286
287	it. Of course they were planning on passing out world currency several years ago their always	287
288	changing plans. If you don't like what I've said stand on the street corner it will probably change in a	288
289	year. Q: Are you putting a time limit of the time of the anti christ when will he come. I'm just saying	289
290	like I said last night that's what the illuminati believe. They are going to gain the world by the end of	290
291	the year that starts Aquarius. That's 1980. They believe it by an eight year plan that I have seen. I	291
292	haven't seen anything go wrong with that plan yet. Now should something go wrong should this	292
293	country starts serving God I'm sure, because the illuminati believe the only way they going to gain	293
294	control of the world is through America. Not through Russia for all you communist hounds, but	294
295	through America. Now if America gets saved naturally, they're going to lose it. Now that would take	295
296	a mass revival from the Christian hearts first, and I believe Gods kids are not going to ever grow up	296
297	long enough to have one of those. Q: What does the initiation ceremony involve to become a witch?	297
298	The same thing that you have to do to become a Mason, you do to become a witch. Q: What part do	298
299	demons play in the writing and performing of rock music? Everything, 100%. There isn't a record	299
300	album that you buy that has not be cast over by a coven, when it was first done that's mandatory,	300
301	that's required and a demon is ordered to go with every rock album that comes off of that master	301
302	tape. You can go home and count how many demons you've got alone. Q: You mentioned last night	302
303	that when congress starts arguing we should beging digging about laws being passed. My question is	303
304	how and where do we look? Who do we question so forth. I don't know. I get my information from	304
305	places you can't. I'll tell you where you could try they are some independent groups in Washington	305
306	that try to expose things but since there not Christians I don't have anything to do with them. I don't	306
307	know I guess you could listen to Joe Boyd and Jack Howe, John berry and other people and you'd	307
308	know what's happening. I really don't know where going to start this summer producing a news	308
309	letter. If you want on it you can write to us I guess, that the best thing. Our address is back there,	309
310	Stan? Has the envelope. Don't take the envelope to copy the address off of it, an envelope to be	310
311	passed out we only have one left and we'll send you the thanks for your charge and try and keep up	311
312	(to date) and all the laws and the things that are happening and well also going to be saying a lot	312
313	more about surviving in the end times. Q: Something about the Old Testament law. A: Without the	313
314	law the devil had no power... What is the law? The law... The old law... The Old Testament law. He	314
315	bases all of his (power) upon the law not so much the Ten Commandment and stuff like this but ..	315

316	Well let's put it this way everything outside of grace is law everything outside of being a Jew is a	316
317	Gentile. Q: If witchcraft is so prevalent why have so few of us heard anything about it? Q: If you	317
318	haven't heard anything about it you must have been living in a vacuum. You must never watch	318
319	television (praise the Lord if you don't) or if you don't you must never read the newspapers. You	319
320	must never listen to the radio, you must never listen to most preachers. You must never walk into a	320
321	Christian book store. I didn't know anybody didn't know that witchcraft was the fastest thing	321
322	growing in the United States today. Ok I'm going to rush through these real quick because we are	322
323	running out of time. Q: Will the Christian be taken out in the rapture before the card is issued? A: I	323
324	have no idea. I can't answer that I'm not like a Bible Scholar on it. I can read it both ways. Personally	324
325	I think since it's going to be tried out in the United States and before its tried out on the whole world	325
326	I think you'll probably see it. Personally whether you want to believe it fine, when you can't go to the	326
327	grocery store anymore because you don't have it, don't say I didn't tell you. I think that before it is	327
328	ordered for the world to take it, well be gone. When it first comes out it won't be. 'Well cut off your	328
329	head', it will be 'if you don't take it you won't eat'. You're not going to buy you're not going to sell.	329
330	Later if you don't take it, you're a refuse to society and you must be put away. Q: Where is this	330
331	Christian retreat? Will it be open for Christians? Yes it will be open for Christians. In fact Christians	331
332	can come and live there any time they want to build a house. If you don't want to build a house	332
333	there and you want to come later you'll have to give up one of these. Escape routes and work it out	333
334	from there, since where not going to open the doors for a bunch of people who come and are	334
335	camped when where trying to get people out of the occult right now. You'll just have to wait till	335
336	times are bad. See the other thing about the retreat is that you're going to get up there and say this	336
337	isn't so bad. Then you're going to want to go back like Lots wife. That's because things are good	337
338	because of where you're at. Go back to the city and get yourself killed that's alright, but where going	338
339	to wait until it's so bad that nobody is going to still say that I'm crazy and say 'Why didn't we listen	339
340	sooner.?	340
