

1	But I went in there... two in the morning, got up to the door. It said. "Closed...12 midnight". I said (to	1
2	myself) 'Well you know Christians are funny people, maybe?', and I pulled on the door, (and) it	2
3	opened. I went inside. There're was one guy in there ...bent over trying to fix this coke fountain. You	3
4	see the coke fountain had broke just about the time they were just about to close and he decided to	4
5	stay behind and fix it. That's the way the Lord has to treat some Christians, he has to break things in	5
6	their lives to keep them in one place long enough to do his will, but he stayed there and walked in	6
7	and looked up and said "oh can I help you ?" I said "Yeah". He looked at me and said "Yeah I think	7
8	you need some help."(You had to have seen me). I was with some brothers the other day and one of	8
9	the girls I used to live with in witchcraft walked right by the car and didn't even recognised me...Now	9
10	that's what I mean, when the Lord changes you I believe He changes you, and I walked in and sat	10
11	down. He started witnessing to me. He got nowhere with his witnessing, and finally I got to the point	11
12	where I was in witchcraft, you know I told him about it? After he caught his breath about twenty	12
13	times he picked up the phone, called the pastor. It was only three in the morning and you know	13
14	that's very weird nobody ever calls the pastor for pray at three in the morning. So he called the	14
15	pastor and he explained and he said "Oh that's Lance Collins, we've been praying for him a	15
16	while...and I think the way he reacted (is) the way they must have prayed Peter out of jail...Right at	16
17	the door. They couldn't believe it was taken place. So he said well I'll call up a bunch of people and	17
18	(they) started praying for him and said "You go back and witness." (So) he witnessed some more	18
19	...He wasn't getting anywhere he was doing the standard witnessing, it just wasn't reaching me. I	19
20	just wasn't receiving what he was saying and finally he stopped and said "Lord give me discernment	20
21	in this matter, give me knowledge, give me a scripture of Your word that will do something that will	21
22	break the devils hold on this man. I heard the pray I thought 'Oh this guys weird here we go talking	22
23	about the devil again', and he got 2 nd Timothy 1-7 and he opened it and he reads it to me and I gave	23
24	my heart to the Lord it was too good of a promise to pass up...I'd spent all my life, in fact I guess	24
25	from the time when I was five years old in a world of absolute total fear and also all the guilt. In fact	25
26	my mother at very moment was in mental hospital. She is so far out now on barbiturates and though	26
27	she's out of the mental hospital, she doesn't even know who she is most of the time that's because	27
28	of the fear and the guilt because of the things that she'd done* and when he said "Lord make his	28
29	mind new and take away the fear." I said "That's it show me now how to get it." And we knelt down	29
30	and we prayed and I said to the Lord and I said "Jesus I want your forgiveness but can you take the	30
31	guilt and fear away?" And I got up out of there and talk about no fear, and I went out of there and	31
32	almost got myself killed because I didn't have any fear and I still don't have and fear today and if	32
33	anybody should have a fear its somebody who came out of the illuminati. I don't have the fear today	33
34	and that's why we are having a rehabilitation centre now for trying to take the fear out of people	34
35	lives and teach them that Jesus can make them a new. We have a centre that we are opening	35
36	tomorrow it's very funny that the doors of the centre aren't even open yet and it's already filled.	36
37	There's a cars coming from the East Coast in fact the second most powerful witch that has ever been	37
38	saved was just saved last April after I left the East Coast and her testimony is almost similar to	38
39	everything I have given today about the Rothschild's and the politics and Charles Manson and other	39
40	things that she knows about, and she's going out here to go through rehabilitation. We'll put her	40
41	through just as fast as we can and get her out and get some tapes made on her and let the world	41
42	know there's another nut out there saying the same thing. But we've got one girl moved in last night	42
43	as we were moving the furniture into the place we moved we moved one for rehabilitation in, and it	43
44	just filled up in fact we probably have to start believing now for another six months for another	44
45	building, but these buildings are necessary because when a person's saved out of the occult out of	45

46	the illuminati a contract is placed upon their heads where professionals not amateurs are looking for	46
47	them. Some of them have some very good professional people and they'll send them after you to kill	47
48	you. So we try to guard these people and protect them for a period of time. So they are able to stand	48
49	on their own two feet. (You may say). "Well what about (you)?" Well I had some loving Christians	49
50	who were sensible enough to hide me out until I was able to come out of it and was able to stand on	50
51	my own two feet, know to protect myself stay alive and so on. My wife when she was saved...the	51
52	same thing was done for her and now we are believing that hundreds will get saved because the fear	52
53	will be taken out of their lives. So we ask you to pray about it. With us right now this car is going to	53
54	be leaving in a little while and (its) come across several thousands of miles from Marylyn to	54
55	California about 3-4 people, who have been saved out of the occult will be in the car along with body	55
56	guards. You may seem that's kind of funny, accept they'll be a hundred thousand people trying to	56
57	collect the bounties on those kids from here and there it's not funny at all. It will be a miracle if they	57
58	get here but I serve a God of miracles and I ask you to pray that. That (that) car (will) get here with	58
59	all of it occupants in absolute safety protected by the blood of Jesus. Jonnie now asks for questions	59
60	and answers...Q: CAN YOU EXPLAIN THE ROTHCHILDS? ...The Rothschild's are a family ...Many of you	60
61	I'm sure, have seen the three little globes that hang around the Pawn Shops with the emblem of a	61
62	pawn shop, that comes from three acorns off the Rothschild's family crest. They were money lenders	62
63	to begin with in Austria and they became, which they are now the largest and richest family in the	63
64	world, they are not considered humans by the occult world they are considered gods. They believe	64
65	(that they are) gods. Sons and daughters (of lucifer dwell) in these human bodies and when the	65
66	humans die (and) the Rothschild's die they go into the next Rothschild born and they are not to be	66
67	treated as men they are to be treated as gods, and believe me they are treated as gods their word is	67
68	absolute law. That's the Rothschild's. They created, they founded the illuminati and many people	68
69	can't understand why a family of Rothschild's 200 years ago (it's actually 300 because they invented	69
70	it a 100 years before their birthday) would create a conspiracy for world take over that they'll never	70
71	see fulfilled. Well that because witches believe in reincarnation* and they believe they would be	71
72	alive during that time to see it happen. This may seem funny to your ideas but when your raised in it	72
73	its absolute truth to witcraft people. Q: Asked about rock stars being practicing witches in order to	73
74	be famous and does that includes all kinds of entertainment?... Well there's a scattering of it	74
75	through of country music. I guess probably the leader of the country music is a man named Tom T	75
76	Hall but in rock music you must be an initiated witch. A coven member. That means you're a	76
77	minister. Anybody in the last two years that's come on television must be an initiated witch. Three of	77
78	the major soap operas on TV have now made it a fact to be a member of their staff, their Television,	78
79	(network). You know actors and actresses on these three major soap operas. You must bear the scar	79
80	of initiation* to be on. That's why the leading one 'The Young and Wrestless.*' is so popular. Any of	80
81	the new shows coming on, you can just check them off, those people belong to a witchcraft or	81
82	Satanist brotherhood somewhere or they wouldn't be there. Eventually they'll get all the older ones	82
83	out that got in there through different things you had to do back then...You've always have to do	83
84	something. You're not on television or on the movies because your good you are there because you	84
85	paid a price whatever the producer wanted from you. Now its witchcraft. In the early seventy's and	85
86	late sixties it was homosexuality and before that it was the producers couch and so on, but now its	86
87	witchcraft Q: Asked. LADY MENTIONS A BOOK CALLED 'NONE DARE CALL IT A CONSPIRACY', hfgand	87
88	then she asks about the cults and what influence they have...? Well the closest to witcraft is the	88
89	Mormons because their bible so resembles passages from the 'Book of Shadows' which is the	89
90	witcraft bible, but there's the thing about the cults and so on...(We have a mailing list and so on and	90

91	a P.O Box...people write in communicate with us)...There are so many thousands of cults and most	91
92	of them go under the guise of Christian churches today that are teaching this variation from the	92
93	word of God and this variation and so on, and the thing here is that I firmly believe there's one way	93
94	to the Lord Jesus Christ and to the father through the Lord Jesus Christ and Calvary that's the only	94
95	way, through repentance through a born again experience, but with the devil there's always but	95
96	one. All these cults are to serve one purpose to keep your eyes off of Calvary, the only way to make	96
97	it and that's why all the television and all the literature out today is so down on the Christians for	97
98	only one reason, that they try to say that they are the only way. They are not saying they are the	98
99	only way, the Lord Jesus Christ is saying He's the only way, and they try and put you down because	99
100	they believe that repentance and the blood of Jesus isn't the only way there. But it is and that's	100
101	why certain well known ministers today are trying to become popular and say "Well it's possible to	101
102	make it heaven other ways." Well the bible said they'll be idiots like that in the last days. Q: Asked	102
103	Someone questioning the validity about of the dates mentioned in illuminati world take over chart.	103
104	He asked who the anti Christ was also. His name was mentioned but I'm not going to give his name	104
105	too many of you wouldn't believe me and I've already lost half of you anyway and I want to keep the	105
106	rest of you. Listen I'll just say this I had to put up with all of the Christians running around for about	106
107	five years telling (me) how Doctor Kissinger was going to be the anti Christ. I had to turn away and go	107
108	ha-ha because I knew better but remember who I'm saying it is doesn't mean that's who it is that	108
109	just means that the illuminati will do everything they can to make him the world ruler but the way	109
110	this county is going and since Christians won't turn and seek the face of God and repent, then God	110
111	won't save the country because they won't fulfil second chronicles. I would say he's probably going	111
112	(to be) right on schedule. Q: Asked about Jonnies sister that she was more advanced in witchcraft	112
113	than him...No she was given a position faster than I was because women are given positions faster	113
114	than men. Women accept in the higher councils are the leaders the high priest is in the coven but he	114
115	is only the enforcer the high priestess is the pastor. Q: Is she (his sister) still in the occult? Yes she is	115
116	She is one of Phillip Rothschild's girlfriends. She runs messages between Phillip Rothschild and David	116
117	Rockefeller on a regular basis.	117
118	Q The Pastor asks whether he met your wife when she was a member of the Occult ? She took my	118
119	sisters place as Witch Queen in the State of Ohio and owned the second largest occult store in the	119
120	country and she's got saved in one of the meetings and after going through rehabilitation and so on	120
121	we got married. Before I take anymore of your questions let me do something here real quick. I	121
122	spoke with your teenagers hear at Chapel and I told them about a plan of the occult to place certain	122
123	objects in Christian homes too, to be able to put demonic influences into the home and tear down	123
124	the Christian pray life and place rebellion depression and suicide upon Christians. Now you may	124
125	think well I'm a Christian that's impossible. Listen to me when you take something that belongs to	125
126	the devil into your possession your asking for trouble. The Bible the Word of God was, ..holy inspired	126
127	by the Holy Ghost ..nobody will argue with me that's a born again Christian at least. Certain objects	127
128	are inspired by the spirit of Satan by demonic influence - Rock Music if witches can't cast spells on	128
129	Christians they got smart, they let the Christians cast the spells on themselves. The witches will	129
130	quote the spells in rock music and let the Christians play them and they keep casting the spells over	130
131	and over on themselves that's why rock music...now you may think that's garbage but the witches	131
132	believe it and I believe it because I've seen it done. That's why rebellion and drugs and the sexual	132
133	has swept you children and you try to shelter them from it by sending them to a Christian school and	133
134	then you let the world be brought into your homes in the form of rock music. So they didn't just	134

135	want the kids, they wanted the adults. They've pretty (got) the adults with soap operas, but they	135
136	decided that they would put their most powerful object in witchcraft into the hands of Christians.	136
137	First they changed their names to make them look innocent. They didn't call them Hexagrams or	137
138	Pentagrams and Lepricorn's Horns and stuff like this anymore. They didn't call it the Onk or anything.	138
139	They changed the names to things like Stars and Crescents and Crosses of Light so they could sell	139
140	them in Christian book stores and so on. In fact that was probably a surprise to them that they'd	140
141	could start selling them in Christian book stores. They decided to sell them to their conglomerates	141
142	first and federal department stores first which owns most of the department stores that you ladies	142
143	and gentlemen shop at, and the one that's not own by federal department stores is Montgomery	143
144	Ward. It's own by standard oil (so it owned it anyway). Then they wanted to go into all the rest of	144
145	the homes that maybe wouldn't pick them up in the jewellery stores. So they used one of their	145
146	largest companies, and if we have any distributors of this company that we are going to name, don't	146
147	you come to me (and contradict me) because I've got a stack of testimonies of how (its) distributors..	147
148	of how they first started selling this, and depression set in their homes their marriages broke up and	148
149	three or four people actually tries to take they own lives in fits of depression, that they didn't	149
150	understand and these were born again Christians, and when they heard about this they destroyed	150
151	the stuff and they have never had any of this in their homes since. All the depression left all the	151
152	marriage troubles left and the thought of suicide left. So I've got the testimony about it, so don't	152
153	come and tell me about it. Those are the first three, (symbols). Now this jewellery I'm going to show	153
154	you, accept the second two pieces could not be bought in a store until a few years ago. You stop and	154
155	think about it when you started seeing this stuff? To buy these symbols here (Jonnie must have been	155
156	displaying them) you had to go to an occult store, of cause that was easy from San Francisco they've	156
157	always been a little weird but you go to the occult stores but you had to prove that you were an	157
158	initiated witch of a coven before they would sell this stuff too you, and it was made by their coven	158
159	Silversmith. The first ones called a pentacle if you put a circle round it it's called the Pentagram the	159
160	symbols of witcraft. If one points up the symbol of witchcraft, two points up...is the symbol of the	160
161	satanist church. The symbol of the horned god. You might also notice it's the symbol of the Eastern	161
162	Star. We were in San Francisco last night and in the building that the illuminati houses their private	162
163	enforcer Isaac Bonawic. (He's like a living computer he's also one of the members of one of the	163
164	councils that I left), in a store down below which sells many pieces of occult jewellery. They sell	164
165	ladies contacts with Eastern Stars embedded in them with all the little Runes and so on. (Jonnie	165
166	moves onto another display piece). This is called the Hexagram not the 'Star of David' the 'Star of	166
167	David' is a name change on it. David was dead and buried when that star was created by a son that	167
168	had backslidden, (a son) that went into demonic worship. Solomon would seal his documents of	168
169	war* his occult documents with that thing they call it the crest of Solomon or the hexagram, and	169
170	that's where the word to 'hex' or to cast an evil spell came from. Witches when they conjure	170
171	demons, they call the demons up to talk to them in person. This star must be drawn on the floor for	171
172	the demon to arrive in or it won't appear. Now that gives you an idea. It's the most evil sign in the	172
173	occult world. This symbol in various forms means you are an initiated witch of witchcraft and if you	173
174	watch television, and I'm sure you do and if you watch television you'll notice many of the television	174
175	stars are now wearing this symbol openly. Why not? Christians don't know what it means. You'll also	175
176	notice it's the sign of the shiners? (Two more symbols exposed). The first ones called the 'Ankh'.	176
177	They call it the cross of life now they sell them in Christian book stores and so on. The Cross of Life or	177
178	the Ankhftt comes from Egypt. Meaning that you're a worshipper of Ra the Sun God. That's the	178
179	Egyptian name for lucifer so it means that you worship Lucifer. It means that you despise virginity	179

180	that your against virginity, that you practice orgies, that you believe in reincarnation (that means	180
181	that you don't believe in heaven or hell). That you're going to come back again and that the word of	181
182	God is a lie because it says you'll live once then judgement. But they say 'no'. The next is the Broken	182
183	Cross. It's a peace sign. It didn't originate in Frisco or in London during the peace movement. It's	183
184	been around a long time. We've heard a lot of cracks about it (jokes), you know on the footprint of	184
185	the American chicken and all this type of thing. This is what it is. When a member...When a person	185
186	wants to become a member of witchcraft and they come from a Christian background... (I didn't	186
187	have to take the initiation because I was born into witchcraft)... They are given a cross made out of	187
188	Ceramic Clay, you know baked clay? and its turned upside down, and they take the cross bars and	188
189	they break the cross and the cross bars down. They break the cross bars off and they throw the	189
190	pieces to the floor and shatter it and the priest or priestess whoever is doing the initiation then	190
191	announces you are free from the bondage of the Christian church and because of this act you shall	191
192	have peace ever more that's the peace sign. It's called the broken cross. This one you might not	192
193	find? Until about a year from now. Anybody ever seen this symbol before?...Your right its 666. Its	193
194	three overlapping 666...Here's where you can find it. You can find it on the world currency printed	194
195	out of Brussels. We bought ten billion dollars of it but our president decided it's better to go with a	195
196	credit card than the currency now. So we're not going to use it. You'll find it in clothing and shoes	196
197	made in the common market countries in the labels of the clothing* More recent about a year ago it	197
198	was on national television. The president of the United States you know the peanut eater from	198
199	Georgia..? Well I mean that's about the best I can do for him. I could say more but he has personally	199
200	designed a national security card which will be the answer to the problems in the Unites States and	200
201	that every law abiding citizen would have one of these cards to prove they were law abiding citizens	201
202	you know? Then when he got done making a speech his press secretary came up and said to the	202
203	newsroom "here's a picture", and for some reason with all the flash bulbs pooping and that, that	203
204	cards picture never got printed in the paper. I don't know why? Maybe they decided it was a bad	204
205	move but in the centre of the card, (the pearl white glossy card a computer plastic type. In the	205
206	centre was kind of a grey with words written over it you know? but in the background was like a	206
207	water mark was this emblem. 'Welcome to the last generation'. They're putting their forces	207
208	together. Now the California National Guard has switched to this patch recently. It is a circle of three	208
209	arrows coming out of it on every half we noted Florida, Masschutes, Pennsylvania, Marylyn, and	209
210	about six other states has switched to it this year. We've been told by the end of the year that all the	210
211	National Guard in the United States will wear one patch. They've all at the first of this year were	211
212	hooked into a computer in Dallas called the National Security Computer. That's who they call-up by	212
213	the way when they check out your visa cards or your bank America cards or whatever the case may	213
214	be. Now if you've been going to the grocery stores and the department stores you've been noticing	214
215	the new computer cash register you know, one shopping step type cash registers, you know you put	215
216	your card in and ring up the purchase and it does all the business for you right then and there, well	216
217	all the stores are suppose to switch over to them and the little poorer stores are suppose to get the	217
218	little phone unit that hooks into your phones and you zip the card through. This is all supposed to	218
219	happen in the next year right on time schedule just like it should be. Then things will be a little	219
220	different around here because by then they plan on destroying the money that you have and then	220
221	you'll have to use the card because the money will be worthless. Now if you think...You've been	221
222	noticing (on) all the television commercials security is the word everybody has been using on	222
223	television commercials 'prepare for the future', back up for security this and security that' and then	223
224	they are going to turn around and then they going to wipe your security off the face of the	224

225	map...Now if I'm stepping on your safe little world I'm sorry. I'm trying to tell you something in	225
226	advance and I'm going to give you a reading list so that you don't think I'm the only nut in the world.	226
227	The first book is 'None Dare Call It A Conspiracy'*. The next is the 'Rockefeller Files'* and the last one	227
228	is 'Jimmy Carter, Jimmy Carter'*. Now those can be found in most book stores they are by Gary	228
229	Allen, but I recommend one that you find in the Christian book store it's called the 'The Day The	229
230	Dollar Dies.'* You might decide to invest the financial money that you are saving in your saving	230
231	account that will be worthless before this year is out in the work of God. I'm serious it will be	231
232	worthless before this year is out. This time next year the time schedule that they have. I'll give you a	232
233	few events. I'm not prophesying I'm given you physical knowledge you may think I'm crazy, they	233
234	thought I was crazy back in 1972 when I said we were going to have a fuel shortage. They thought I	234
235	was crazy back in 1973 when I said watch for the coal mines to close so you may think I'm crazy but	235
236	by this time next year when it all happening, at least I told you in advance. You got a little bit of	236
237	warning they'll be ten million people out of work this time next year. Now that's when our welfare	237
238	system, (unemployment) social security system goes collapse because it won't be able to handle that	238
239	many people out of work and you may want to go home and pray and ask yourself what this	239
240	countries going to be like with 10 million people not eating and not having any money and then you	240
241	ought to pray that a lot of souls get won and that Jesus comes quickly. I know I'm going to ...I'll take	241
242	some questions and answers. Q: Somebody asks about the anti Christ and about certain currency,	242
243	silver and gold Coins...Real quickly I heard everybody in the world describe the antichrist that's why	243
244	I'm not given my opinion along with it. (Concerning the currency)...How are you going to spend them	244
245	if you're not allowed to spend them? Do you understand what I'm trying to say? All the silver and	245
246	gold in the world... Your right, you do have the right idea. The only system that will exist then is	246
247	either the government no cash system or a barter system between people. That why people like	247
248	Tom Berry and myself, Joe Boyd and other ministers across the country are now telling people to	248
249	prepare for a barter system you can make it until the Lord comes on the barter system but gold and	249
250	silver is the wrong way to go I'd take your gold and silver if its stored up and invest it in the barter	250
251	system real quick, because even if you could spend gold and silver the barter system would still work	251
252	even better because they got to have goods...the number one most valuable item is one that will be	252
253	illegal and almost impossible to obtain at the time called a 'firearms' or a 'gun'. The next will be	253
254	ammunition to go in that gun and then dehydrated and freeze dried food or canned goods. Well	254
255	water will probably be the most expensive item in existence. They have a few surprises for the	255
256	drinking system that you now have. Q: Asked. Is the Anti Christ in politics? ...Yes he is. He's in	256
257	American politics. Q: Asked about the Jehovah's witnesses...Well we've won quite a few Jehovah	257
258	witnesses. I'm not saying that this will win them but you could try one question that usually starts	258
259	the ball rolling, what tribe a you a member of? You'd have to understand their doctrine but it really	259
260	starts them stuttering and stammering. Q: Asked about the Catholic Church. Well I'm against the	260
261	Catholic Church for one reason, it's because when I was in the catholic church, the occult world	261
262	receive a sanction from Pope Paul that white witchcraft was permissible for Catholics to practice and	262
263	second I can watch catholic mass and I can go in and write our masses down, our rites in witchcraft	263
264	and let you read them as they go through them in the catholic church. Most of the doctrine, the	264
265	doctrine of the saints are the doctrines of the mighty ones in witchcraft. The doctrine of the wine	265
266	being turned to blood that's in witchcraft. The doctrine of almost everything the alter, (minus the	266
267	knife) is the only thing missing from the catholic alter on the witchcraft alter and in some countries	267
268	(not America) not the knife but the scourge which is also on the witchcraft alter is laid on the	268
269	catholic alter. In almost all the doctrines, the doctrine of the virgins, of the nuns the doctrine of the	269

270	priesthood and so on. These all come from the temples of Dianne in Rome and were invested into	270
271	the Christian church of (the) Nicene council. It was back when the witches got smart they said if we	271
272	can't beat them well join them and they've been doing it ever since. Q: Asked about Chick	272
273	Publications. Well there's a book coming out called 'Angel of Light' and in it compares the mormons	273
274	the masonic and the witchcraft doctrine and almost all three... they are like triplets. It will be from	274
275	Chick Publications in the form of the Crusader Comic Books. It will be out in about two months when	275
276	the artwork is done. Watch your Christian book store for it. I got a feeling it's going to win more	276
277	masons and more mormons out of the occult world then anything that ever done before, because it	277
278	quotes from some of the inner books of the Mormons and Masons. The problem is with the	278
279	mormons and masons is they live with that secrecy thing. You never know what the inner circles are	279
280	doing. So this book bring the inner circles to the outer circles and boy it going to open some eyes	280
281	too. I want to see the mason stutter and stammer around when they read out of their own books	281
282	that Jesus Christ is the god of evil and lucifer is the god of good and then I want them to tell me that	282
283	the masons are Christian organisation. Q: Asked about the Salem witch trials...Ok there's another	283
284	book coming out from Chick Publications as soon as the Angel of Light gets out, it will be out in	284
285	about a year, if the world hangs around that long, and it's called mancho? And it's on the Salem	285
286	witch trials. Now I went back there because my family 'the Collins family' is credited of building the	286
287	Salem church building. So I went back there kind of conned myself in. Kind of half pray, half conning	287
288	into the ethics museum library were the original manuscripts are and I went through the original	288
289	manuscripts. Except for one prostitute every person executed in the Salem witch trials was not a	289
290	puritan but a born again Christian. They were from a group across the river that had separated from	290
291	the Puritan Church and the Pastor there was preaching the 'Born Again Experience' and if there is	291
292	one thing that will upset a witch it's having a bunch of preaching Christians next door to them. So	292
293	they hung them. Considering the pastor wasn't a pastor that had the Salem church, he was a slave	293
294	trader that's a matter of history. The Collins built the church. It was the first American witchcraft	294
295	coven so were they going to hang real witches? (of) cause not and it comes out really plain. One of	295
296	the main charges was the Christians across the river were reading from the book of Revelations and	296
297	that was against the law: Q Asked about why Jonnie is packing a weapon...Those are good questions.	297
298	Why am I packing a weapon? Because I have had so many attempts on my life...I know some	298
299	Christians cannot understand a Christian having a weapon. The same Christians have never had their	299
300	families and themselves shot at dozens of times. I have got a wife and children and myself and I may	300
301	as well go ahead and say it, at the refuge house the way that these people are going to stay alive is	301
302	because the workers all pack weapons within the house. Now before that was done, we had one	302
303	other refuge house. Three people were machine gunned to death in the house. That's why I pack a	303
304	weapon. Next I always obey the laws of California. The weapons only in the church. When I leave it	304
305	goes in the trunk of the car, but (we) take so many different routes they'd have a hard time finding	305
306	me when I leave the church. Now I want to go with this a little more than answer another question.	306
307	There are many ministers today that are packing guns, all with contracts on their life, all well known	307
308	minsters. One of the most well known minsters in the country today is Jack Howe. Jack probably	308
309	won't want need it here...he'll probably trust the church would have security for him when he is	309
310	here. We had too who he was down at our home church a couple of week ago. In fact several of the	310
311	people that are guarding me today guarded brother Howe as body guards when he was there, but	311
312	he preaches behind a bullet proof podium and two body guards escort him all over the place when	312
313	he's in Hammond. There's been that many attempts on his life. Tom Berry, Joe Boyd they go armed	313
314	all the time now. Chick publication after doing the 'Broken Cross' the book that I wrote had to move	314

315	into a building with bullet proof glass in the windows and when you drive up to the building you'll	315
316	still see the bullet holes in the windows where they tried to go ahead and shoot him anyway through	316
317	the windows. Now that is the real world out there when you start dealing with the occult. Next the	317
318	human sacrifice thing. I did, I gave all the information to the FBI. I told them what senators were	318
319	involved. I mean the man who handed me the knife to do the ritual of the killing was a United States	319
320	Senator that ran for president named McGovern. I gave the time the dates. I said where weapons	320
321	are stored...This will give you an idea. Right now and we have one witness back here who saw	321
322	several trucks with thousands of machine guns and thousands of grenades unloaded two weeks ago	322
323	in a storage place five miles from our home church up the Paean? Canyons We notified the alcohol	323
324	tobacco farms, the county sheriff and the local police. It's still there with more weapons being	324
325	moved in every day. When I told the FBI. I had four ministers with me. Well for turning this	325
326	information in (they said, they didn't give it to me in writing) you have complete immunity and all	326
327	this and they walked out we walked out and thought 'Oh good we are really to do something to the	327
328	illuminate. We can just see McGovern walking in hand cuffs.' We called back two weeks later they	328
329	denied they ever talked to us. Now that's the real world...Now several times we've tried to get grand	329
330	juries. We tried to get grand juries going and the only person they ever wanted to indite was me. So	330
331	we now learnt if they ever try to do that when we go in, well just bring a lawyer along with us. I don't	331
332	mind going down as long as the illuminati goes with it, but they won't because you're talking about	332
333	Presidents and Senators and FBI agents and everything else. I turned down preaching in a church in	333
334	this area because two FBI agents were present. Nothing against the pastor or the congregation	334
335	because it has a fine reputation as a church. I wouldn't go there for that reason because two years	335
336	ago we tried to get a grand jury and federal Grand Jury to indict two FBI agents that were spotted by	336
337	dozens of people openly trying to kill me, shooting at me almost at point blank range, and guess	337
338	what happened? Nothing...One more question. Q: Asked, something about JFK. Ok I'll give you a	338
339	bombshell you're not going to believe.* Kennedy got saved three months before his death that's	339
340	why they killed him. I can take about ten minutes (but I don't want to) and explain and prove that	340
341	that's the truth, but it did happen in fact several people were there last night when I went into	341
342	detail about it, but it did happen. He was saved down at Tamper Florida through a man that helped	342
343	arrange the bayapigs? That man became a Christian a few months earlier and then witnessed to him	343
344	along with a couple of minister and he gave his heart to the Lord, and they tried to call him back. The	344
345	Pope even ordered him in to a private audience a month before his death and ordered him to take	345
346	mass and Kennedy walked out of the place refusing mass...The lady might give that to her	346
347	husband...TAPE END.	347
