PAULUS EPISCOPUS SERVUS SERVORUM DEI AD PERPETUAM REI MEMORIAM

CONSTITUTIO APOSTOLICA

BAFIANAE*

**QUAE ERAT PRAEFECTURA APOSTOLICA BAFIENSIS
IN DIOECESIUM ORDINEM REDIGITUR, «BAFIANA» NOMINE.**

Adorandi Dei Filii Vicarius et Procurator, quibus numen aeternum summam Ecclesiae sanctae dedit, nihil profecto sanctius, nihil sollemnius, nihil religiosius umquam duximus, quam ut illum ignem in mortalium pectoribus omni arte accenderemus, quem Ille huc excitaturus descendit, et excitari vehementissime optavit. Sine enim hac amoris fiamma non modo omnia circum squalent, sed nec homo potest aut ad immortalem patriam tendere, aut aeternae tranquillitatis portum tenere. Quam ob rem, cum praefectura apostolica Bafiensis, ob insomnes Sodalium Congregationis Sancti Spiritus sub tutela Immaculati Cordis Beatissimae Virginis Mariae magna ceperit incrementa, maioraque capere posse praevideatur, visum est opportune fieri, si eadem ad gradum dioecesis attolleretur: per hoc enim remur cum meritam laudem tribui iisdem Sodalibus, quos diximus, tum etiam animum addi novum ad sanctissimam fidem nostram propagandam. Quae cum ita sint, audito venerabili Fratre Aloisio Poggi, Archiepiscopo titulo Forontonianensi atque in Camerunensi Republica Apostolico Pro-Nuntio, item Sacrae Congregationis Christiano Nomini Propagando rogata sententia, haec quae sequuntur decernimus et statuimus. Praefecturam apostolicam Bafiensem ad dignitatem dioecesis evehimus, cognomine *Bafianae*, quam iisdem dilectis Filiis e Congregatione Sancti Spiritus sub tutela Immaculati Cordis Beatissimae Virginis Mariae gubernandam concedimus. Erit autem eadem suffraganea archidioecesi Yaundensi, ad normam iuris. Cathedra episcopalis magisterii in templo principe ponetur civitatis Bafiae, in qua urbe Episcopus domicilium collocabit, ut in capite dioecesis. Qui praeterea, si Canonicorum collegium condi nequeat, Consultores dioecesanos eliget, ut consilio, opere in negotiis maioribus assistant; atque Seminarium condet, quo pueri bonae spei, qui ad sacerdotium vocentur, excipi possint. Cetera, iura et onera cleri et populi respicientia, regimen, hisque similia, iure Canonico regantur. Ceterum, quae iussimus, venerabilis Frater Aloisius Poggi ad exitum adducere studeat, vel quem ille delegaverit. Re autem acta, documenta exarentur, quorum sincera exempla ad Sacram Congregationem cito mittantur.

Hanc vero Constitutionem nunc et in posterum efficacem esse et fore volumus; ita quidem ut quae per eam decreta sunt ab iis quorum res est religiose serventur, atque igitur vim suam obtineant. Cuius Constitutionis efficacitati nulla, cuiusvis generis, contraria praescripta officere poterunt, cum per eam iisdem derogemus omnibus. Nemini praeterea haec voluntatis Nostrae documenta vel scindere vel corrumpere liceat; quin immo huius Constitutionis exemplis et locis, sive typis impressis sive manu exaratis, quae sigillum viri praeferant in ecclesiastica dignitate constituti simulque ab aliquo publico tabellione sint subscripta, eadem omnino habenda erit fides, quae huic haberetur, si ostenderetur.

SERVANT OF THE SERVANTS OF GOD
As a perpetual remembrance**

Apostolic Constitution

***BAFIANAE* ***

Which was a prefecture BAFIENSIS
In dioceses this order, "BAFIANA 'the term.

Effort to adore the Vicar and the Procurator of the Son of God, to whom the eternal divine power has given to the sum of the Church of the holy, there is certainly nothing more holy, and there is nothing specially, there is nothing more religious than ever we have thought fit, with all the skill of which he might be kindled in order to set a fire in the hearts of mortal men, in here would raise up in the One he came down, and exceedingly to be excited she opted for. Without the flame of love, not only for all the things around Rot in neglect, in this, his native land, but human beings can not be said, either to tend to an immortal, or eternal life, to occupy the port of tranquility. How is it that, with the prefecture apostolic the Bafiensis, on account of the sleep, simply the Sodality of the Congregation of the Holy Spirit and under the protection of the Immaculate Heart of the Blessed Virgin Mary is the great has taken steps forward, and thought likely to be able to contain it is foreseen, it seemed it is conveniently to be done, if the same are to the next level of the diocese to raise it: by means of this, for we think together with the honor by merit for the tribe of the same members, of whom I talked about, and even those who felt that our faith be added to the propagation of the new admitted to the blessed. This being the case, after listening to the venerable brother, Louis was Poggi will, in the camerunense the Republic and the Archbishop of the Apostolic Pro-Frontonianensi the title of the message, and also Propagando turn a deaf ear to the name of the Sacred Congregation of the Christian point of view, the information that follows, we decree and establish all this. The prefecture of the diocese of being exalted to the dignity of the apostolic Bafiensem, the surname of *Bafianae*, than those from the Congregation of the Holy Spirit and under the protection of the Immaculate Heart of his beloved, for the sons of the Most Blessed Virgin Mary, I entrust the Bishop of Rome. Suffragan of the Archdiocese Yaundensi will be the same in accordance with law. Shall be made in the temple, the chief of the chair of the bishop's teaching authority of the city of Bafia, Aaron sets up the home of the Bishop of the city, in which, as in the head of the diocese. Jesus is, the canons of the college, to be stored, if it can not, he will choose the consultors of the diocesan bishops, in order that the counsel of the linen, the work as a trader with the greater present to God? and will found the seminary, in which children are of a good hope, those who are called to the priesthood, an exception might be able to. All the others, the rights and the responsibilities of the clergy and of the people, related to the government, the values and such matters, are governed by the law of the canon of the. But what was after we ordered, our venerable brother Luigi Poggi, to the going to bring a whole, or to whom he may delegate to him. Reality, however, the acts, documents were printed, of which the examples of the sincere will soon be sent to the Sacred Congregation.

This would be, however, of the Constitution on now and in the future, and efficient to be and to wish to be; It seemed that, the case with those which are, by the decrees of the matter is to be religiously preserved it, and,

therefore, the force shall be in force. Of which of the Constitution on the effectiveness of none at all, of any kind whatsoever, contrary to the prescriptions of the obstacle will be able to, since through it the same is forbidden to all. We will also tell these documents either to cut or to be allowed to corrupt; On the contrary, after their places, by the example of the present Constitution, or printed or impressed thereon, are submitted to the hand of, at the same time from the things which are constituted either by some public seal of the notary of the man, to prefer it to be signed by the person of ecclesiastical dignity, to be held at all the same shall be the case, which depend on this would be had, if it were shown.
